

Weekly call out message 11.15.20

Good evening Panthers,

This is Principal Athanson with your weekly update. Progress reports will be posted for students and families through Focus on Wednesday November 18th. Please make sure to check on your students grades and reach out if you are interested in setting up a parent conference.

Our PTA will be selling PHMS hoodies next week in the mornings for \$35. Cash or checks only. You may also purchase them through our memberhub website:

<https://palmharborms.new.memberhub.store/store>

This is the last week for our food drive. If you are interested in donating please know the 18th is our last day to collect.

Our school will be closed from 11/23 through 11/29. During our thanksgiving break we are encouraging students to participate in our district challenge. The challenge can be found on each student's individual Clever page and is available starting on 11/16.

To our MyPCS families, many of your students were issued new computers at the start of the year or end of quarter 4 and do not need to have your computer exchanged. We will set up a time following thanksgiving break for those who have an older model computer or those who are having technical issues.

Yearbooks are available for sale! They are \$35 and the link can be found on our Palm Harbor Middle website. Buy early!

Thank you and have a wonderful weekend.
