Second Grade	12:35pm - 1:05pm

Process:

1. Parents will report to the front office, presenting photo identification to sign the student out for lunch. They will be given a pick-up slip to take to the cafeteria.
2. Parents will ring the café doorbell and show their ticket to the staff member who answers. The student will be called to go outside.
3. Enjoy lunch at any table out front.
4. Return your student to the front office on or before the finish of their lunch time.

PreK students will have a special picnic day later in the semester when it is cooler and again in the spring.

You may only sign out your own children.

Signing a student out for lunch will not affect perfect attendance unless the student is late returning to class or does not return at all.

**For grades 3 – 5, please be aware that state testing days in September, December and May may affect lunch times. Please check with your child's teacher if you are not sure about the testing schedule.*
