

MAY 20, 2022

GRADES VPK, K, 1, 2: 8:45-10:45

GRADES 3, 4, 5: 12:00-2:00

Field Day is always an exciting day for our students to enjoy. This year's field day will include games for classes to have fun competing against each other. We will also have water slides that require you to sign a waiver. **Students must have this waiver signed/returned to utilize the slides.** In addition to water slides, our team games will all involve water activities. Please provide a change of clothes for your child.

Field Day is a privilege! Students must follow Westgate's guidelines to success and display good behavior throughout the entire school year to participate in this fun-filled day. Either the PE Department or your child's teacher will communicate with you in advance if your child's behavior will prevent him/her from participating.

If your child has received any disciplinary referrals within the last grading period (from March 22 until field day) he/she will not be allowed to participate in this event. If your child has received three (3) PE progress reports this school year, they are automatically exempt from participating.

Thank you,

PE Department

Please sign and return by May 17, 2022

Child's Name _____ Teacher _____

Parent Signature _____

___ I understand my child is expected to follow our guidelines for success and have good behavior to participate in Field Day.

___ I would like to volunteer for one of the sessions listed above (please specify which time).
