

# LYNCH ELEMENTARY

May Newsletter

2024

**Greetings, Lynch families!**

**As we complete the last few weeks of this school year, we want to make every day count. Having your child(ren) here every day, on time, and ready to learn makes a great difference. I**

**believe we have achieved many great learning gains and appreciate families' support to keep the learning momentum going. Please continue to read your child's agenda and review any papers sent home daily. I hope you will support Summer learning by enrolling in Summer Bridge. Research has shown that scholars who do not read over the Summer spend a lot of time catching up in the Fall. Have your child read 20-30 minutes daily.**

**Thank you, for an amazing year.**

**Could your scholar benefit from extra learning opportunities over the Summer? Registration for Summer Bridge is open and is especially important for scholars who are not performing on grade level. Most programs run Monday - Thursday**

**through the month of June.**

## TECHNOLOGY TIDBITS

Hi, Lynch Families! As we look to next year, please keep in mind that you need to know your Focus login information and your information in Focus needs to be up to date. Next year, the computer checkout and internet usage agreement forms will only be available digitally via Focus. There will be no paper forms for computer checkout next year.

Also, if you are a parent of a current 3rd or 4th grade student who has a computer checked out this year, please be on the lookout for a survey coming home from me about summer computer options. Current 5th grade parents, please contact your child's middle school for summer computer information.

Thank you!

-MRS. GOODLOE, LMT

**We need your input! Please complete this survey to help us plan our Family Involvement events for next year**
