### PINELLAS SPRING READING CHALLENGE MARCH 11-19, 2023

**Guidelines:** All students are encouraged to read as much as they can on myON during Spring break. Time spent reading will be recorded automatically within each student's myON account.

**Reminder:** If students are reading offline, they should log back into myON with WiFi before March 19, so their reading activity is synched with their account.

**Winners:** Winners will be selected from each grade level band based upon the total number of minutes they read on myON during the challenge period.

• Pre-K-2 • Grades 3-5

Top 5 winners in each grade band across the district will win a laptop. (If students won a laptop or tablet in past reading challenges, another prize will be awarded.)

Lynch Elementary takes BRAIN BREAKS in every class because BRAIN BREAKS reduce stress, anxiety, and frustration. They can help kids focus and be more productive. BRAIN BREAKS can also help kids learn to self-regulate and be more aware of when they're getting fed up or losing track of what they're doing. That's especially helpful for students that struggle with executive function. Plus, BRAIN BREAKS are FUN!!

- 2.) Act immediately and take signs and threats seriously.
