Our History

To meet the needs of the children of the Masonic Children's Home, the Pinellas County School Board opened Coffee Pot School in January 1927. Because of expanded enrollment, the school was renamed North Shore Elementary School in 1940. Throughout the years many changes have occurred at North Shore, but the school has been, and remains today, steeped in history and tradition.

Our school encompasses Central Ave to 54th Ave N, 16th St N to the coast and 4th St N to the coast.

Why Join PTA?

Students Benefit: Research shows that students perform better when parents are engaged in education both at home and at school. Parental involvement boosts student achievement. By joining PTA, your child will see first hand the importance you place on education.

Schools Benefit: PTA provides support for teachers and staff. It strives to create a positive and caring atmosphere in the school. PTA advocates partners with a variety of programs that enhance schools. Also, your volunteer hours both in or out of school contribute to the schools' yearly Parent Involvement Program with the district.

Make Connections: PTA involvement helps you stay informed and connected with the school and allows you to gain a broader perspective of how you can play a supportive role. You will make connections with other parents and business partners that share the common goal of student success.

"The best part of being a North Shore Knight is being a part of the North Shore family. You are more than just a teacher to the students in your class. You get to know all the kids on campus, and we all support our fellow knights. Our students, teachers, and families all work together to make this school special!"

-Mrs. Edmondson, 3rd Grade Teacher

"What people first notice when they join the North Shore 'castle' is the warm and welcoming culture we have here. North Shore is a prime example of how much students will succeed when teachers, families, and the community all work together."

-Mrs. Suarez, 5th Grade Teacher

"The one word that describes North Shore is 'family.' From the staff to the students, I love that I can come to work, walk the halls, and know pretty much every student by name. I always think the TV show Cheers, North Shore is a place where everybody knows your name! We may be a small school but our staff, PTA, and our students have big hearts. I wouldn't want to work anywhere else!"

-Mrs. Kohnle, Kindergarten Teacher

President's Welcome

On behalf of the North Shore Elementary School PTA, we would like to extend a warm welcome to our new families, returning students, families, and staff members! We are looking forward to a productive and fun school year ahead. Thank you for all of your past and future participation in the PTA and I hope to have you join or renew your membership for the 2025 - 2026 school year.

Our PTA supports the following:

- Provide supplies for classrooms
- Fund field trips
- Provide mini grants for teachers and classrooms
- Supply PBIS incentive program
- 7th Hour scholarships
- ... and many more

Your involvement is completely optional, but always appreciated! If you're able, we encourage you to volunteer, attend a PTA event, or join us at a meeting—your voice matters. This is your PTA, and the more families we have engaged, the better we can support and enrich our students' experience.

Rob Hasbrouck, President of NSE PTA
