

December 2019

Dear AP Students & Parents:

AP Exams will be administered May 4- May 15, 2020.

Specific test locations and rooms will be announced at a later date. Most AP Exams will be administered at St. Petersburg College (Seminole Campus) and some will be administered at OFHS. Students are responsible for their own transportation to and from their test site.

All students are required to test during their assigned testing date & time. Missing the exam will result as a Final Exam grade of an "F" for the course and a fee.

Late testing will not be granted for missing an exam due to family vacations or trips; power outages at home; oversleeping, inability to locate testing room, car troubles, etc. Any student who misses an exam due to illness must present a Dr. note within 48 hours of the missed exam to be considered for late testing.

My permission form(s) are due: Wednesday, December 4, during lunch, to the counselors who will be in the cafeteria at the guidance table.

Please detach, complete and return the last three forms of this packet.

- All students are required to complete and submit the "Field Trip/Activities Permission Form." Just one copy is needed per student regardless of the number of exams taken.
- All students who plan on driving a vehicle to testing are required to complete and submit the "Field Trip Vehicle Information" form. **Note: You must attach a photocopy of the person's insurance card and driver's license to this form when submitting.** Just one copy is needed per student, if you are planning on driving a vehicle, regardless of the number of exams being taken. If a parent is driving their child, this form does not need to be completed. This form is ONLY for student drivers.
- Please complete and submit the "Permit to Leave" form if you are planning on not attending the regular school day during the time you are not in exams.

It is advisable to familiarize yourself with the Seminole Campus of SPC before your test date. Visit <http://www.spcollege.edu/friends-partners/about/locations/seminole-campus> to review a map.

Students are required to arrive at the testing site no later than 15 minutes prior to your exam: 7:45 a.m. for the morning administration and 11:45 a.m. for the afternoon administration.

Students may not be dismissed until an exam has officially ended; do not ask to leave early if you finish before the end of the exam. If you play a sport or have a job, it is your responsibility to inform your coach or employer of your AP Exam obligation, and arrangements should be made accordingly.

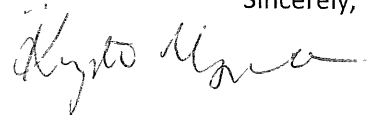

You are not required to attend school on the day of your exam(s). An attendance roster will be published for the school prior to and after an exam. You must complete and submit the Permit to Leave form, located within this packet, for an excused absence. If this form is not turned in, you are expected to attend school during the time you are not testing.

You are required to abide by the policies of both the College Board and Osceola High School during the exam period. Any misconduct will be reported and could jeopardize your AP Exam score. Since this activity is occurring off-campus, you must complete the attached permission slip(s) and have a parent or guardian sign it.

If you have any additional questions or concerns, please feel free to contact AP Coordinator, Krysta Nymark or Assistant Principal of Curriculum, Daniel Schmittiel.

Get a good night's rest before your exam, and eat a nutritious breakfast. Food and drink are prohibited in the exam room. Be sure to review "What Students Should and Should Not Bring to the Exam Room" reference sheet within this packet. You may also want to bring a sweater, in case the room temperature is below your comfort level. Good luck!

Sincerely,
