

Good afternoon Warrior families,

This is Mike Bohnet, principal at Osceola Fundamental High School, with an important message regarding digital device distribution. I know this is a time of uncertainty for many of us as we continue to support our families and one another. As we make the transition to digital learning, I want each of you to know that the safety and learning of your child is of the utmost importance. While our school building may be closed, learning will continue.

Over the next week I encourage you to engage in the academic enrichment activities available through our school website as our teachers prepare for their class specific lessons that will begin on March 30th. I also want to make sure you know that our school will be distributing digital devices for students and families that do not have access to a computer, iPad, tablet or smartphone. Any existing device that can access Clever and the Internet will work.

If you already have such a device, visit our webpage for next steps. For any family that needs a digital device, we will be distributing devices for at home learning tomorrow Tuesday, March 23 and Wednesday, March 24 between the hours of 9:30am and 4pm in the **parking lot of the front administration office**. **Both the students and a parent or guardian must be present to check out the device.**

I encourage you to come at your assigned time to ensure we do not have a large crowd. The assigned times are posted on the school website and I will share them now:

- **Freshman: 9:30am-11am**
- **Sophomores: 11am-12:30pm**
- **Juniors: 1pm-2:30pm**
- **Seniors: 2:30pm-4pm**

If you do not have internet service at home, Spectrum is providing 60 days of free internet for new customers with school-age children at home. Call Spectrum at 1-844-488-8395 to enroll. If you have any concerns or special needs, please contact the school or me directly. We want to ensure all families have the necessary technology and Internet access to engage in online learning while school is closed.

Again, see our website for more information or contact the school via telephone at 547-7717 with questions. I will continue to keep our families updated. Thank you for your patience and flexibility. We are a strong community and I know we will continue to support each other as we move forward.

Mike Bohnet
OFHS Principal
