

## Food & Nutrition Resources for Students

During the week of March 23rd, our district will establish Grab-and-Go feeding sites at eight Pinellas County Schools to ensure that students have accessibility to meals during this timeframe. Our Food & Nutrition Services Department has identified the locations listed below that will provide both breakfast and lunch to all individuals 18 years old or under.

Each location will serve a lunch and breakfast, in a single bag, March 23-27. While we encourage parents and caregivers to drive to our locations, we will be accepting walk-ups. Additionally, Pinellas County Emergency Management will be coordinating with other local food providers to allow students to have access to nutritional options at other locations as well. The school sites below will be utilized as distribution sites. A complete list of sites throughout our community can be found at <https://211tbc.myresourcedirectory.com/index.php/food>.

School	Address	Serving Time
Dunedin Elementary	900 Union St. Dunedin, FL 34698	10:45—11:45
