### **Teacher Out of Field**

Due to a new Educator Certification Application System launched at the Florida Department of Education, it is taking longer for teachers to be issued their teaching certificates. Without a certificate, a teacher must be reported out of field even though he/she will be certified in the area he/she is teaching once the certificate is issued. The individual out of field is listed below.

Chauncey Giraldi – Social Worker

I am confident he will provide excellent instruction in a safe learning environment to all students. If you have questions, please feel free to contact me.
