

## Welcome to the 2023-2024 school year!

WE are so proud of the growth made last school year, and we look forward to continuing to show how incredible our New Heights learning community is this year. Together, we can positively impact OUR scholars lives and create a brighter future for all. We appreciate the privilege to work with this special group of scholars each day and promise to do everything in our power to allow all our scholars to reach the level of success they deserve.

New Heights Elementary lives by OUR "I am because WE are" mentality. This phrase helps to highlight that our individual actions have an impact on OUR entire community, and WE possess the power to impact each other in a positive way each and every day we are together.
