At San Jose, United We Soar!

FSA TESTING

Please make certain to have your student well rested and on time to school. It is time for our students to shine!

IMPORTANT REMINDERS

Dear Parent/Guardian:

Parent awareness and support is a crucial part of the assessment process, and we would like to inform you of an important rule that will be in effect during FSA Testing.

Students have not historically been permitted to have electronic devices in their possession during testing. This year, if your child is found with an electronic device that reproduces, transmits, calculates, or records (e.g., a cell phone, camera, or pager) in his or her pocket, at his or her desk, or within his or her reach during testing, the test will be invalidated.

Please make sure your child is on time and well rested.

Results will reflect all of their hard work during the school year. Please plan in advance to have them at school by avoiding travel and doctor visits. Children test better with their peers in familiar surroundings.

Thank you for your support of your child's education.

**The Dedicated Staff of
San Jose Elementary**

HOW TO PREPARE YOUR CHILD!

- Limit outside/after-school activities this week to give them more energy. (Don't stop normal routines.)**
- Get them to bed early.**
- Take it easy this weekend.**
- Load up on high protein foods for all meals.**
- Be understanding if they seem edgy.**
- Offer positive reinforcement**
