Classroom Lessons

Did you know that all classroom lessons are based on Florida School Counseling Standards?

This month, lessons for all students focused on having a growth mindset-an "I can" attitude. Students in k and 1st read *Tightrope Poppy, the High Wire Pig*.

2nd and 3rd graders read *The Most Magnificent Thing*. 4th graders read excerpts from *Mistakes that Worked*.

5th graders read *Wilma Unlimited*. Students then learned how we can turn an "I can't" attitude into an "I can" attitude, and how that can help us!
