

Summer Bridge Registration

Summer is almost here, and Pinellas County Schools is thrilled that we will once again run our very successful **High School Summer Bridge** programs in person this summer. Summer Bridge is an extended learning opportunity designed to ensure to our students have the opportunity to catch up on any graduation requirement in which they may have fallen behind during the school year so that they start next school year on-track to graduate with their appropriate grade levels.

Hollins High is running these Summer Bridge Programs this summer:

- **ACT READING PREP:** This program supports students who will be 11th and 12th graders in 2022-23 and who have not yet passed the State's English/Reading assessment yet to graduate. The students enrolled in this program **BEFORE JUNE 3rd** will get a free voucher to take the ACT on July 16th after this prep program ends. The program prepares them for success in that summer ACT opportunity so they can eliminate needing a reading class from their schedule next year. Program dates are: June 27th- July 14th
- **ACT MATH PREP:** This program supports students who will be 11th or 12th graders in 2022-23 and who have not yet passed the State's Algebra 1 EOC yet to graduate. The students enrolled in this program **BEFORE JUNE 3rd** will get a free voucher to take the ACT on July 16th after this prep program ends so that they can start the new year having met their algebra requirement for graduation. Program dates are: June 27th- July 14th
- **Algebra 1 Course Recovery and Algebra 1 EOC PREP:** These programs support students who will be 10th, 11th, or 12th graders in 2022-23.
 - **Algebra 1 Course Recovery** is for students who failed any semester of ALG 1A or ALG 1 during the school year. Program dates are: June 6th – June 23rd
 - **Algebra 1 EOC Prep** is for students who passed the Algebra 1 course during the school year but failed the EOC and would like to retake the EOC on July 13th and 14th this summer. We recommend that students who were close to passing the spring ALG 1 EOC enroll in this preparatory program and take the retake in July. If your student took the ALG 1 EOC this spring, results for this test should arrive in June and your school will send you the results. Program dates are: June 27th – July 14th

All Summer Bridge program will be held from 8:00 a.m. to 12:00 p.m. Mondays- Thursdays during the date ranges noted above.

TRANSPORTATION: Arterial route transportation is also available for your student, please include information about your need for transportation when you call the office listed below to enroll your student into a Summer Bridge Program.
