

DIGITAL FLYER DELIVERY

As a reminder, Pinellas County Schools and Belcher Elementary uses Peachjar to send school information and approved flyers from the district, our school and community organizations digitally via email to the parent/guardian address on record in our FOCUS system. In addition to important school events and information, these flyers contain programs and events offered throughout your community that help your child succeed. After-school sports, local family events, free community programs, and college prep are just a handful of the resources found in our district's Peachjar emails.

You can also find all school-approved digital flyers posted on your school's flyer board by clicking the Peachjar button on your school's website:

Please make sure you have parent/guardian email addresses kept up to date and associated with your student's record in FOCUS so you are not missing these important flyers. The primary contact can keep their email address updated via the Student Reservation System (SRS). Please visit the front office if you have more than one contact, as additional email addresses need to be added/updated at your child's school.

If you are not currently receiving flyers, please check your spam folder. To ensure smooth delivery of this communication, we suggest you add "school@peachjar.com" to your email contacts. When you receive your first Peachjar email, be sure to click "always display images."

If you have questions about Peachjar, please contact the front office or email Sheila Kane, the PCS District Coordinator at kanes@pcsb.org

We look forward to a great school year!
