

September is...
Attendance Awareness Month

Attendance Spirit Week

September 8th to September 12th

Being at school every day on time is important to the academic success of your child(ren). Research shows that missing 10 percent of the school year, or about two days a month, negatively affects a student's learning.

On September 11, 2025, students who had perfect attendance in August will receive a special treat: a popcorn snack and 1 to 2 Bear Dollars to spend in our school store. Let's celebrate the importance of coming to school every day on time!
