School to Family Communication

In an effort to reduce the use of paper, we will continue use electronic forms of communication with families. This year you can keep up with Bear Creek in the following ways:

- The Bear Creek website will be our primary source of communication at <https://www.pcsb.org/bearcreek-es>. All weekly communication updates will be posted on our website by 7pm Sunday.
- Classdojo will be used primarily for school-wide reminders and daily communication **between parents and instructional staff**.
- School Messenger will be used to remind families or previously communicated information shared on the Bear Creek website.
- Student agendas
