Scholars will test on the specific date according to who their math teacher and ELA teacher is respectively.

- The **math assessment is 100 minutes**, but scholars needing additional time have up until the end of the school day to complete their assessment.
 - All scholars, except those enrolled in Algebra 1 Honors or Geometry Honors, are required to take the FAST progress monitoring assessment.

- The **ELA assessment is 90 minutes**, but scholars needing additional time have up until the end of the school day to complete their assessment.
 - All scholars ,regardless of what ELA class they are enrolled in, are required to take the FAST progress monitoring assessment.
