Hello Highlanders, this is Principal Glenn welcoming you to the 2022-2023 school year. I hope you are enjoying the remainder of your summer. This will be a lengthy message today.

Immunization – 7th Grade immunization is required to attend school. If your child is attending 7th grade and has not provided proof of Tetanus-diphtheria-pertussis (T-dap) and 2 varicella vaccines, our school nurse will be sending home exclusionary letters to the students without shot records. You may begin to turn in your documentation to Ms. Duncan our DMT (Data Management Technician), in the front office beginning August 1st. Contact your healthcare provider to schedule your student shots. If your child does not have a healthcare provider, immunizations are available at no cost at the department of Health Pinellas 727 824-6900 to make an appointment.
