

# **You Deserve to Be Loved & Girls Talk Annual Summit October 28th 2022**

**The Just Girl Talk Conference started in the summer of 2017 at John Hopkins Middle School and quickly grew the following year with a focus on high school girls and has been supported by Pinellas County Schools ever since.**

**A regional partnership with the You Deserve to be Loved Summit in Hillsborough County has helped to increase the event to over 500 girls annually even with a virtual summit.**

**The half day event is designed to encourage girls' brilliance, to cultivate their curiosity to achieve what might seem difficult and impossible.**

**While developing their leadership skills and creating a safe space for honest discussion of their needs from the support systems in their community.**

**This years event will be headlined by Grammy Award Winning Artist Chrisette Michele who will speak with the girls about pursuing their goals and dreams.**

**She recently started an Inner Peace Academy with a mission to love on the hearts and souls brave enough to learn from her very human and deeply spirited tale.**

## **Mahaffey Theater Downtown St. Petersburg, FL**

**Those who attend will experience culturally relevant workshops, panel discussions, self-care tips and empowerment circles led by business owners, educators, community leaders and national influencers.**

**The summit also offers an adult workshop track for parents and mentors that shares techniques to better support and connect to students.**

**Past Summit Seminars Include:  
Social Savvy, Money Moves, PowHer Panel,  
Zen Zone, Your Change Starts Now, You Are  
Your Brand, Let's Talk Heart to Heart, and Life  
Isn't All Jokes**

**We are requesting the Pinellas County School Board's support of this phenomenal partnership again this year, with a commitment of encouraging participation from high school girls from across the county.**

**Thank you in advance for your consideration of this request from the My Sister's Keeper and Regional Girls Summit Committees.**
