

Hey!  
MOMS & KIDS...

## Ridgecrest Elementary

As moms, we often teeter at the edge of exhaustion doing things for our family, friends, and community. And oftentimes we do it without a single word of thanks. This month, we want to take time to thank moms for all they do on a daily basis.

### **A little breakfast, a little bonding, a lot of fun!**

Taking time to build a relationship with your children can be the most rewarding thing you do all day. During breakfast, you'll interact with your child and discuss topics that are important to their well being and to your relationship.

**Don't miss this special event.**
