## WHAT IS CHIEF COMMUNITY DAY?

Chief Community Day is Osceola Middle School's staff welcome back to school event for the students, families and community members of Seminole. Students will be able to pick up their schedules and walk the campus. They can purchase locks, spirit wear, backpacks (limited supply), and PE uniforms. Students can also drop off 7th grade shot records, learn about OMS sports, clubs and electives too.

## IT'S FOR PARENTS/GUARDIANS AND FAMILIES TOO!

Parents/Guardians can sign up for Focus logins, sign up to volunteer and receive Classroom Donation information. There will be information about PTSA and SAC meetings and a schedule of Spirit Nights at various restaurants to benefit our students. The YMCA will be here to answer your questions about before and after school care.

Once outside in the field area, kids can enjoy inflatables. Kona Ice will be onsite with cool treats. Poppin' Good Kettle Korn and Kotton Kandy will be here, they have amazing flavors to try. Families can learn about back to school safety from Seminole Fire & Rescue and Pinellas Co. Sheriff's Dept.

Many other community partners, like the Clearwater Threshers Fun Team, will be on hand with coupons and some will have raffle baskets. Families with 8th graders should also plan to stop by the High School booths to get information for next year.
