

# PARENTS AND FAMILIES, WE NEED YOU!

Pinellas County Schools is working to make student busing more efficient. We need your input!

Will your student need transportation next school year? **Let us know!**

Learn more at [pcsb.org/transportation](https://pcsb.org/transportation)

Every school year, over 36,000 eligible PCS students are routed for transportation when only approximately 22,000 students take advantage of these services.

Pinellas County Schools is looking to only route students in need of busing, which will lead to faster and more timely travel. Parents and families, please complete the short **Transportation Ridership Survey in FOCUS** for each of your students to let the district know about your transportation needs for the 2023-2024 school year.

Complete the form and learn more at [pcsb.org/transportation](https://pcsb.org/transportation)
