

A Career Awareness Program for Students

xello

Every Student,
Future Ready!

Say hello to **Xello**, an on-line platform Pinellas County Schools is using to help your child prepare for academic, career, and future success. With Xello, students define their interests and skills, learn about careers, and create plans to achieve school, career, and life goals.

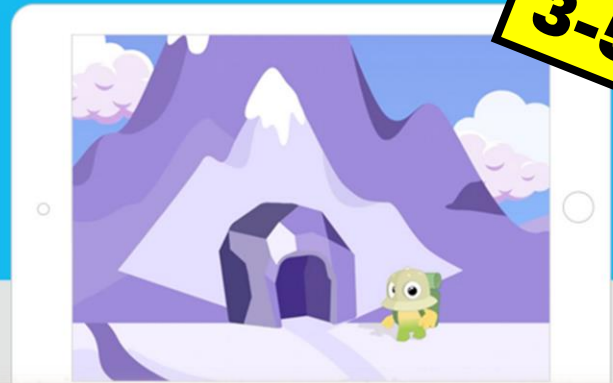

Career Town is a happy and peaceful place, but some of the workers in the town have gone missing! Are you ready to solve a mystery and go on an adventure? Help Detective Jill to find the missing workers to restore order to Career Town. Sign in today to start your adventure!

Our friend Dart loves to go on adventures, but his latest adventure has left him lost up on Humdrum Mountain! We need your help to rescue him by reminding him of his unique interests. Sign in today to start your mission and save Dart!
