

ARRIVING AT YOUR SCHOOL SOON!

The Tampa Bay Rays and Tampa Bay Times Newspaper in Education program are proud to present the 12th annual **Reading with the Rays** program. This year's program, presented by Suncoast Credit Union, celebrates the theme **A Universe of Stories**.

The program coincides with NASA's 60 years of achievement and its celebration of the 50th anniversary of the Apollo moon landing. This **bilingual** publication is headed to **elementary schools** in Charlotte, Citrus, Hernando, Hillsborough, Manatee, Pasco, Pinellas, Polk and Sarasota. The publication is focused on children in grades K-5. All students through grade 12 can participate in the program. Go to tampabay.com/nie/raysreading for book lists and more information.
