

**Great American Teach-In at
Forest Lakes Elementary
Sign up today!**

Please plan to join us. The kids will love you for it!

You have the power to enrich a kid's life – in as little as half an hour.

The Great American Teach-In is part of Pinellas County Schools' annual American Education Week celebration. It is a special opportunity for you to visit Forest Lakes Elementary and share what you know with a new generation. The 2023 event is scheduled for **Wednesday, Nov. 15th, 2023**. Opportunities are available from 9:00-2:00, and you may choose to spend 30 minutes, one or two hours, or stay for the entire day. The amount of time you volunteer is determined strictly by what your schedule permits and what the teacher wants to accomplish. Whatever the length of your visit, you can make a difference. And, as thousands of previous Great American Teach-In participants have discovered, the experience is truly rewarding.

Teach-In tips:

- Plan for 10-20 students per classroom.
- Consider wearing attire appropriate to the occupation, hobby, or other topic you plan to discuss.
- When you arrive at the school, please check in at the office with your driver's license to pick up your name tag.

Someone will greet you and accompany you to your classroom.

- If you plan to bring printed or audiovisual materials, please check with the school Teach-In coordinator in advance.

If you would like to participate, please scan the QR code below and complete the registration.

If you have any questions, you can call or email Kelly Graber at graberk@pcsb.org, 813-891-0785. We appreciate your interest and support for our Forest Lakes Dolphins!
