

FACILITIES MAINTENANCE

The mission of this Apprenticeship program is to provide apprentices with the technical training to secure and maintain employment in the facility maintenance field of work. Facility Maintenance Apprenticeship is designed for any employee currently working as a Building Maintenance or Facility Maintenance technician, any person looking to obtain work as a maintenance helper or Maintenance technician or soon-to-be Supervisor, and any employer looking to provide instruction for their Building Maintenance or Facility Maintenance technician position.

Hands-on learning and certifications for several trades:

- HVAC – EPA Certification
- Plumbing
- Electrical
- Masonry
- Carpentry
- Appliance Repair
- Computer Literacy & Business Professional Skills

Increase Your Skills, Increase Your Income.
