Mandatory PTC Student Accident Insurance (Specific Programs & Activities)

The Pinellas County School Board, like most school boards in the State of Florida, requires students participating in certain school activities to purchase student accident insurance. This requirement will help ensure that every student who participates in certain activities is covered. This coverage is required even if the student is covered by another medical plan or program. There are no exceptions to this requirement as it is school board policy (*School Board Policy 8760*; learn more at: <https://www.pcsb.org/studentaccidentinsurance>)
