ADDITIONAL INFORMATION

According to State Statute 232.03 there are seven items which may be used as proof of birth. If the first prescribed evidence is not available, the next evidence obtainable in the order set forth below shall be accepted:

1. A duly attested transcript of the child's birth record filed according to law with a public officer charged with the duty of recording births; or
2. A duly attested transcript of a certificate of baptism showing the date of birth and place of baptism of the child, accompanied by an affidavit sworn to by the parent; or
3. An insurance policy on the child's life which has been in force for at least two years; or
4. A bona fide contemporary Bible record of the child's birth accompanied by an affidavit sworn to by the parent; or
5. A passport or certificate of arrival in the United States showing the age of the child: or
6. A transcript record of age shown in the child's school record of at least 4 years prior to application, stating the date of birth; or
7. If none of these evidences can be produced, an affidavit of age sworn to by the parent, accompanied by a certificate of age signed by a public health officer or practicing physician designated by the school board, which certificate shall state that the health officer or physician has examined the child and believes that the age as stated in the affidavit is substantially correct.
