ABOUT

Southern Oak Elementary is a neighborhood school which also receives Title-1 funding that provide us with additional resources for instruction. We have approximately 550 students enrolled, Pre-K through 5th grades. At Southern Oak, we provide students with support in all academic areas to meet the rigorous demands of Florida's new B.E.S.T. standards. We have 1 to 1 computer access in all classrooms from 1st to 5th grades, affording our students with ample opportunities to strengthen their academic skills on a variety of online academic platforms. Our caring and dedicated staff tailor instruction to meet each students' needs, support collaborative learning, and strive to help students grow to their greatest potential.
