ABOUT

Tyrone Middle School Center for Innovation & Digital Learning - A personalized learning focus ensures that lessons are geared to teach student's individual needs. Students engage in dynamic project-based lessons, interactive online activities and face-to-face lessons that encourage creativity and critical thinking skills. CIDL provides a technology-rich environment with electronic devices for all students. Students can bring devices home for activities that enhance classroom lessons.

Vision: Ensuring Achievement for All Scholars!

Mission: Provide a safe and quality educational setting with engaging and rigorous classroom experiences that create educated, respectful and responsible citizens who are prepared for college, career and life.
