ABOUT

Belleair Elementary is a community school serving a diverse population of students. Our school services approximately 450 students. We value and take pride in our foundational literacy approach is being supported through our work with University of Florida Literacy Initiative and Pinellas Early Literacy Initiative. Our staff is caring and dedicated to each child and family. Our mission is to provide a safe learning environment and achieve at least a year or more of growth through high expectations, community and leadership/ownership.
