## **ABOUT US**

Students at Gulf Beaches Elementary Magnet School learn in a blended technology and project-based environment, focused on academic standards, where the core values of inquiry, research, collaboration, presentation, and reflection are emphasized in all classes. Critical thinking is advanced through our robust arts programming and large variety of after-school enrichment offerings. The classroom and lab environments are rich with various technology hardware to include SMARTBoards, iPads, Mac Laptops, Dell Tablets and Laptops, Robotic and Coding Devices, 3D Printers, and CNC Machines. Learning continues at home, nightly, with specific, guided activities that help to enhance classroom instruction. Families play a key role in their children's learning and the use of technology both at school and at home. Our Innovation and Career Advisory Council works closely with families and community members to create meaningful connections that inspire innovation in the next generation of leaders and empower them to succeed.
