ABOUT

We are a small school with just two or three classes at each grade level K-5th. We have five Pre-K classes including two 3-year-old classes. We have the ability to provide our scholars with a personalized approach to learning. We greatly value our relationships with our families and the community, and we hold our scholars to high expectations for both academic and behavior.

POINTS OF PRIDE

- A Rated School for the 21-22 school year
- Positive Behavior Intervention (PBIS) Supports Bronze Award
- Student Leadership Club Initiated during the 22-23 school year
- Family STEAM events
- Gamifying learning opportunities for our scholars, utilizing programs within the PCS Digital Ecosystem.
- Our students partake in our Magnet theme at school and home by accessing our STEAM Choice board and completing the challenges with our Library Media Technology Specialist during lunchtime! This helps our students continue to enhance their Engineer Mindsets!

SPECIAL SERVICES & PROGRAMS

- Before School Tutoring
- Music and Art Clubs
- STEM Clubs
- Maker Space Clubs before school and during lunchtime
- Girls and Boys Book Battle clubs
- Pre-K and 3 year old classes
- Specials Education Services
