ABOUT

At Largo our focus is on student success for all and strive to be a place where every student finds their place. We are all learners and leaders! Largo High School has two outstanding district application programs which draw students from beyond Largo High School's zoned limits.

Largo High School has a rigorous academic program that consists of regular, honors, dual-enrollment, Advanced Placement and Cambridge courses. Our mathematics and science disciplines offer many varied upper-level courses which may be unique to area schools. Largo High School has a recognized fine arts department - chorus, art, drama and band/orchestra compete throughout the state. Largo High School also offers a variety of Industry Certifications in Microsoft Office, Adobe, AutoCAD, Child Care, FACS, Automotive and Welding.

Largo's superior sports program has a history of success on the field, in the pool, on the court, on the links or on the mat. We have over 40 clubs and organizations for our students and parents to join.
