HOW TO APPLY
Students who live north of Highway 60 must apply to the Center for Wellness at Palm Harbor University High School. Students who live south of Ulmerton Road must apply to the Center for Wellness at Boca Ciega High School. Students who live north of Ulmerton Road and south of Highway 60 may apply to either Center but not both.

TRANSPORTATION
Arterial bus transportation (buses that operate on main roads with a limited number of stops) is provided to students who live more than two miles from the school. Magnet bus stop locations may require that parents drive their children to and from the stop.

OUR MISSION
The mission of Palm Harbor University High School is to educate all students by using effective systems that promote lifelong learning.

The Center for Wellness and Medical Professions
ABOUT US
The Center for Wellness and Medical Professions is a four year program designed to prepare students for entry into post-secondary programs as well as direct entry into health industry careers. They will exit the program with a strong background in medical technology, pathophysiology and numerous hands-on experiences that culminate in clinicals in their chosen field.

PREPARE STUDENTS FOR CAREERS IN HEALTH AND MEDICAL FIELDS

MEDICAL PROGRAM
Prepares students for institutions of higher learning requiring postgraduate studies leading to careers such as:
- Physician
- Dentist, Dental Hygienist
- Pharmacist
- Pharmacy Technician
- Veterinarian, Veterinary Technician
- Physical Therapist, Physical Therapist Assistant
- Registered Nurse
- Radiologist
- Respiratory Therapist
- Laboratory Technician
- Radiology Technician
- Optometrist

TECHNICAL
Prepares students for a license when they graduate high school in:
- Nursing Assistant (CNA)
- EKG Technician
- Emergency Medical Responder (EMR)

BIOMEDICAL PROGRAM
Prepares students for employment in a career such as:
- Biotechnology Assistant (BACE)

By working with the same equipment and tools used by lab professionals, Project Lead the Way Biomedical students are empowered to explore and find solutions to some of today’s most pressing medical challenges.

ACADEMIC PROFILE: CENTER FOR WELLNESS & MEDICAL PROFESSIONALS

The Center for Medical Wellness Professions at Palm Harbor University High School is an academically rigorous program in which students may participate in honors or Advanced Placement (AP) level courses in math, science, social studies or language arts. In addition, students in this program participate in elective courses which may include technology, world language, or other honors and AP level academic electives. Students who typically do well in this program earn mostly As and Bs on their report cards, maintaining a 2.0 average and earn proficient scores on their FSA mathematics and language arts annual assessments. Students new to Pinellas County Schools who do not have an FSA score, can look at their standardized test scores from their previous school to determine if they have at least a 4 stanine or higher in both reading/language arts and mathematics.

Once enrolled in the program, students must attend all classes regularly, maintain a minimum unweighted GPA of 2.0 in 9th grade, 2.3 in 10th grade and 2.5 in 11th and 12th grades as well as abide by the Code of Student Conduct. Falling below these expectations may result in placement on probation and/or dismissal from the program. Please review the District Application Program Procedures available on the Pinellas County Schools website for further information.

CONSIDER THIS PROGRAM IF YOU...
- Have an interest in health care
- Practice a healthy lifestyle
- Have a personal commitment to wellness
- Seek a challenging educational environment
- Respect authority and have a record of good conduct
- Possess good study habits and attendance
