## ABOUT US

Palm Harbor University High School aims to develop inquiring, knowledgeable and caring graduates through challenging and exciting classes focused on writing, thinking, communicating, and experimenting. With its global perspective, the IB programme has a strong commitment to community and human welfare. Our internationally diverse graduates have consistently been ranked among the highest performing in the world. Our high performing staff of IB teachers includes a number of trainers and examiners for the IB Organization.

## POINTS OF PRIDE

- International Diploma recipient percentage is one of the highest in the world
- National Merit commended scholars, semifinalists, and finalists consistently recognized
- Graduates are accepted in outstanding institutions of higher learning world-wide
- Teachers receive numerous awards and accolades such as Teacher of the Year
- IB students donate at least 225 hours of service to the community over four years
- IB students are leaders in the school, participate in sports and hold offices in student government and clubs
- The IB Booster organization supports teachers and students with activities and funding
- Students have the opportunity to graduate with up to 45 college credits
- Students are consistently awarded with a vast array of scholarships each year, with over 90% of students achieving the Florida Bright Futures Academic Scholarship

## Our Mission

The mission of Palm Harbor University High School is to educate all students by using effective systems that promote lifelong learning.
