ABOUT

Do you have a child that is an independent learner, possesses basic computer skills and takes responsibility for their learning? Pinellas Virtual School may be a good educational choice. Students of PVS have the flexibility to attend full or part time and can work at their own pace. The school's curriculum keeps students engaged.

Our Pinellas Virtual School franchise serves students K-12. For students in K-5 Pinellas Virtual School offers free enrollment in a full-year program featuring the best of tradition and innovation in education. Students and Learning Coaches receive instructional oversight by highly qualified teachers and apply the latest technology for online learning. For 6th-12th grade students, students may enroll in Pinellas Virtual School as part-time or full-time participants in this program. Public school, private school, charter school, home education and students new to Pinellas County are eligible to apply.
