ABOUT

Plumb Elementary School is situated in the heart of Clearwater and located near Allen's Creek Park. Plumb is a neighborhood school with a dedicated staff and a family atmosphere. Plumb proudly serves students from PreK through fifth grade. Plumb also offers nurturing and inclusive classrooms for students with Autism. Plumb provides student-centered classrooms that are focused on research-based instruction and digital resources that provide all learners with rigorous tasks and opportunity for inquiry. Learning takes place in a positive environment that enables each scholar the opportunity to meet their fullest potential.
