ABOUT

John M. Sexton Elementary is a community of learners who are dedicated to creating an academically rigorous, culturally caring and inclusive learning environment. We believe in the Power of YET. Through this mindset we believe all student can learn and will reach their highest potential.

Our state-of-the-art building hosts interactive smart boards in all classrooms, a one to one laptop for all 1st through 5th grade students, remodeled media center, and STEM clubs that use drones and 3D printers. We have an extensive menu afterschool clubs to choose.

John M. Sexton is a family-oriented school with a lot to offer. We look forward to having you join us.
