ABOUT US

The mission of The Center for Innovation and Digital Learning is to provide an innovative digital education platform that inspires scholars to engage in relevant skills training; creating digital leaders for a future-forward society. Scholars engage in rigorous curriculum that prepares them for post-secondary education with industry-validated technology skills. Scholars are engaged in project-based lessons, interactive online activities and face to face lessons that encourage scholars to be critical thinkers. The Center for Innovation and Digital Learning provides a rich environment to maximize the learning opportunities that require scholars to inspire, imagine and create.
