

Welcome to Your Career In Education

At National Louis University, we believe in the power of skilled teachers and education leaders. We prepare our students through innovative teaching techniques and curriculum that develops and empowers students.

Because of the teacher shortage in Florida and across the nation, today presents a greater demand for teachers. Take the next step to earn your Florida Professional Educator Certificate while honing your teaching practice to maximize your positive impact on Florida's students.

**YOU CAN SHAPE THE PATH
FOR FUTURE GENERATIONS.**

National Louis University offers adults with their bachelor degree a pathway to licensure in Elementary or Secondary Education in Florida.

Five Reasons to Earn Your MAT with NLU:

- Earn your Master of Arts in Teaching Degree (MAT) in Elementary or Secondary Education
- Earn your Florida Professional Educator Certificate through the Florida Educator Preparation Institute (EPI) embedded in the program
- Earn your Florida Reading Endorsement
- Make Progress toward the Florida ESOL Requirement (earn 3 semester hours)
- Earn 3 semester hours in Methods for Teaching Students with Disabilities
