

TARGET AUDIENCE:

Support Services personnel, **Instructional**, and **Professional/Technical** staff who are interested in exploring how they can develop a quality leader focus in their own work processes, and who aspire to more leader-oriented roles.

What is
Leadership U?

Leadership U is a one-of-a-kind professional development program for PCS employees who are looking to lead right where they are. You'll join four fun, in-person sessions and complete some extra coursework along the way. Leadership U is all about helping you understand your leadership style and boosting your skills to become a great leader. It's a great opportunity to grow and make a real impact!

Application Process

All applications are due by
September 20, 2024.
