

ONLINE CERTIFICATE

Content Area Instruction

Grow your knowledge and experience in the subject area you have a passion for teaching.

Whether you aspire to teach dual-credit and college level courses or simply seek advanced instructional knowledge in a subject area, this fully online certificate could provide the 18 graduate-level credit hours you may need in a specific content area. Our extended list of majors offers you the opportunity to earn your certificate in the content area of your choosing.

Total certificate cost*

\$5,100

- 18 credits
- 8.5 months to completion**
- Industry-low tuition

How you'll get there:

- → You'll engage with content area-specific theoretical perspectives, design classroom strategies that support your field of study and develop learning environments that connect integrative thinking with evidence-based research.
- → Take just six courses, most of which are five weeks long.

Available major options:

- → Cognitive Science
- English
- → History
- Integrated Biology
- Integrated Chemistry
- → Integrated Science
- Mathematics
- → Social Science

American College of Education is accredited by the Higher Learning Commission, hlcommission.org. All programs may not be available in your state. Refer to the College Catalog for availability. *This is an estimated value of the cost for tuition and fees. Amounts may vary depending on number of transfer credits applied to the selected program hours, the pace and satisfactory completion of the selected program, receipt of institutional scholarship and/or grant amounts, or adjustments to tuition or fees as described in the Catalog Right to Modify Tuition section. State sales and use tax will apply where required by law. **This is an estimated time to completion. Actual completion time may vary depending on the number of transfer credits applied, availability of courses, a satisfactory pace, successful course completion and meeting program milestones as required.
