Humana Provider Directory

Making it easy to find the providers *you need*

Humana has created this directory to make it simple for you to find the providers that participate in your Humana plan. When you use a doctor or other healthcare provider participating in this provider network, you will receive benefits for covered services, as shown in your specific plan documents. Services from non-network providers are only covered for emergency care, urgent care or with preauthorization from Humana.

To get more up-to-date information:

- Humana members and nonmembers can visit **Humana.com/Members** and look under "find a doctor" for Humana's online provider listing.
- Current Humana members can call Customer Service toll-free at the number on your member ID card.
- Nonmembers or those who have not received ID cards can call toll-free 1-800-4HUMANA.

While we have made every effort to provide the most correct and up-to-date information, participating providers and makeup of the network are subject to change. We recommend that you contact Humana customer care to verify that your provider is currently participating in the Humana network for your plan. A doctor or other provider's network participation may vary by the specific provider/group location. Please verify participation for the specific location. Additionally, please note that even though a particular doctor may be in a participating facility, that doctor may not participate in the network. Humana shall not be liable for any losses, damages or uncovered charges that may result from using this directory or receiving care from a provider listed here.

Specialized Care: You can see any provider in the network without a referral.

You can also call the number on your ID card if you need help in choosing a provider or have questions for Customer Service.

Your directory contains the following sections:

1. How to Use Your Provider Directory: overview of how the categories of providers are organized.
2. List of Providers: listings of providers according to their type.
3. Index: alphabetical listing of all providers and page numbers for more complete information.

Participating doctors and other providers listed here are not the agents, employees or partners of Humana or any of its affiliates or subsidiaries. They are independent contractors. Humana is not a provider of medical services. Humana does not endorse or control the clinical judgement or treatment recommendations made by the doctors or other providers listed here or otherwise chosen by you.

How to Use Your Provider Directory

This directory is separated into different types of providers. Begin your search by checking the Table of Contents before looking for a specific provider.

Mental health and substance abuse services must be coordinated through Humana's mental health benefits provider. See this section of the directory or your plan ID card for the appropriate name and telephone number.

Directorio de Proveedores de Humana

Encuentre fácilmente los proveedores *que necesite*

Humana ha creado este directorio para simplificarle la búsqueda de los proveedores que participan en su plan de Humana. Cuando usted emplea los servicios de un médico u otro proveedor participante en esta red de proveedores, recibirá beneficios para los servicios cubiertos descritos en el documento específico de su plan. Los servicios de proveedores fuera de la red sólo se cubren en casos de atención de emergencia, atención de urgencia o con la autorización previa de Humana.

Para obtener información más actualizada:

- Los afiliados y no afiliados de Humana que deseen obtener por Internet la lista de proveedores de Humana pueden visitar el sitio **Humana.com/Members** y buscarla en "Find a doctor" (buscar un médico).
- Los afiliados de Humana pueden llamar al Servicio al Cliente al teléfono gratuito en su tarjeta de identificación.
- Los no afiliados o quienes no hayan recibido sus tarjetas de identificación pueden llamar al teléfono de llamadas gratuitas 1-800-4HUMANA.

Aunque hacemos cuanto está a nuestro alcance a fin de proporcionar la información más actualizada posible, los médicos participantes y los integrantes de la red están sujetos a cambios. Le recomendamos que se comunique con Atención al Cliente de Humana para verificar que su proveedor participe actualmente en la red de Humana para su plan. La participación en la red de un médico o cualquier otro proveedor podrá variar de acuerdo con la localidad del grupo o del proveedor. Verifique la participación para la localidad específica. Además, recuerde que no todos los médicos ubicados dentro de instalaciones participantes son proveedores contratados bajo el plan. Humana no se hace responsable por ningún tipo de pérdidas, daños, o cargos no cubiertos que se presenten por usar este directorio o por recibir servicios médicos de un proveedor que aparezca en el mismo.

Atención médica con especialistas: Puede consultar a cualquier proveedor de la red sin necesidad de una remisión.

Usted también puede llamar al número en su tarjeta de identificación si necesita ayuda para elegir a un proveedor o si tiene alguna pregunta por hacer al departamento de Servicio al Cliente.

Su directorio contiene las siguientes secciones:

1. Cómo usar su directorio de proveedores: descripción general sobre cómo se organizan las categorías de proveedores.
2. Lista de proveedores: lista de proveedores de acuerdo con su tipo.
3. Índice: lista alfabética de todos los proveedores y los números de páginas correspondientes donde encontrará información más completa.

Ni los médicos ni otros proveedores participantes listados aquí son agentes, empleados o socios de Humana ni de ninguna de sus afiliadas o subsidiarias. Ellos son contratistas independientes. Humana no es un proveedor de servicios médicos. Humana no endosa ni controla el criterio clínico o las recomendaciones de tratamiento de los médicos u otros proveedores mencionados, o que usted seleccione por otra vía.

Cómo utilizar su Directorio de Proveedores

Este directorio está dividido según las diversas categorías de proveedores. Comience su búsqueda consultando el Índice antes de tratar de encontrar un proveedor específico.

Los servicios para salud mental y fármaco dependencia deben coordinarse a través de un proveedor de beneficios de salud mental de Humana. Consulte esta sección del directorio o su tarjeta de identificación del plan para conocer el nombre y número telefónico correspondientes.
