Each year during Annual Enrollment, you will have the opportunity to review your benefit elections and make limited changes. This guide provides information about your and your dependents’ eligibility and coverage options. If you have questions, you may call the Risk Management Retirement Team at **727-588-6214**.
New Retiree Insurance Eligibility

You may participate in the retiree BENEFlex program if you have six years of service and were hired before July 1, 2011.

### The Standard Dependent Term Life

| Dependent Rate | $1.50 for $5,000 of coverage |
Routine Eye Exam Not Covered

Routine eye exams are not covered under the Aetna medical plans. If you are enrolled in the EyeMed Vision Care Plan, routine eye exams are covered.

Health Reimbursement Account (HRA) (CDHP only)

Use your HRA to pay your deductible, coinsurance, and Rx copays, reducing your out-of-pocket costs. Note the IRS requires that 100% of disbursements made from your HRA be substantiated or verified.

How the CDHP + HRA Works

- When you enroll in the Consumer Driven Health Plan with Health Reimbursement Account (CDHP + HRA), PCS will fund an Aetna PayFlex Card® with up to $500 (employee), $750 (employee + spouse), $750 (employee + children), or $1,000 (family) each year.
- You choose when to use the HRA. Aetna will not automatically apply your HRA funds when they process your claims.
- When you use your HRA PayFlex Card, you can pay the first $500 (individual) or $1,000 (family) of your eligible medical and/or prescription drug expenses. (You may also submit claim forms and receipts for reimbursement.)
- Any funds over and above the Rollover Maximum that remain in your HRA will not roll over to the next year.

Medical Plan Deductible (Choice POS II, CDHP + HRA, and Basic Essential)

This is the amount you pay for medical expenses before the plan begins paying benefits.

Coinsurance (Choice POS II, CDHP + HRA, and Basic Essential)

This is the percentage of eligible medical expenses you pay after paying the deductible for most services.

Copays

The fixed amount you pay for medical care and prescriptions. With the Aetna Prescription Drug Program, you pay copays for generic and preferred brand drugs. For non-preferred brand and specialty drugs, you pay the Rx deductible before you pay copays.

Out-of-Pocket (OOP) Maximums

This is the most you will pay for deductibles (if applicable), copays, and/or coinsurance in a plan year. There are two OOPs, one for medical expenses and one for Rx. When you reach an OOP maximum, the plan will pay 100% of those eligible expenses for the remainder of the plan year.
Coordination of Medical Benefits

If you, your spouse, or your child(ren) have coverage under another health care plan (medical, dental, etc.) in addition to coverage under your PCS plan, coordination of benefits (COB) between the health plans generally will apply. Usually, the “birthday rule” of order of benefit determination will apply. This means that the health plan of the spouse or parent whose birthday occurs earlier in the year will pay regular benefits and the other health plan will coordinate their benefits with the primary plan.

If you or one of your covered dependents has Medicare, generally Medicare will be your primary health plan. Your PCS health plan will coordinate benefits with Medicare if your provider is an Aetna contracted in-network provider. For example, if you are a retiree, have Medicare and are enrolled in the Aetna Select Open Access or the CDHP + HRA plan, Aetna will coordinate with Medicare only if your provider is an Aetna contracted in-network provider.

If you have questions about your specific situation or claims, please call Aetna Concierge Customer Service at 866-253-0599.

Aetna Medical Coverage

- You and your eligible dependents must be enrolled in a PCS medical plan at the time of your retirement to continue medical coverage.
- You must remain in that plan or elect to terminate your coverage. If you remain in the plan, you can change your election at the next Annual Enrollment. Your change will be effective on January 1 of the following year.
- You may continue to cover your enrolled dependents or cancel their coverage. In some instances, newborns may be added, subject to state legislation and carrier requirements. Please contact the Risk Management and Insurance Department Retirement Team for information.

Aetna Prescription Drug Program

All medical plans include prescription drug coverage from Aetna. The program uses Aetna’s Standard Formulary.

Each drug is grouped as a generic, preferred brand, non-preferred brand, or specialty drug. Call Aetna’s Concierge Customer Service at 866-253-0599 if you have questions.

Maintenance drugs are filled under the Maintenance Choice Program, which requires that your physician write a 90-day prescription for all maintenance medications. You must fill the 90-day supply through CVS Caremark mail order, local CVS or Costco Pharmacy retail locations. You will only pay two copays for a 90-day supply.
AETNA MEDICAL PLANS

Your cost copay depends on the Aetna medical plan in which you are enrolled: $25 copay for Select Open Access, Choice POS II, and CDHP; $40 copay for Basic Essential.

After registering, you can talk to a doctor by phone or video 24/7 who can treat colds, sore throats, flu symptoms, allergies and sinus infections, earaches, and more.

- Call 855-835-2362 to register by phone.
- Go to www.Teladoc.com/Aetna, click “set up account.”
- Download the mobile app, click “activate account.”

Available to all Aetna medical plan members, this free online and mobile resource makes it easy to shop for affordable high-quality health care—from diagnostics and imaging to outpatient surgery—at a fair price. Go to pcsb.org/healthcarebluebook to learn more.

The Aetna In Touch Care program offers personal, ongoing support to help you manage a health event or chronic condition. Offering both digital and nurse support, the program allows you to easily move between the two. The program is easy to access from your secure member website at aetnapcsb.com. And, it comes as part of your benefits plan, so there is no additional cost to you. Aetna will reach out to members who may benefit from extra support, so please answer your phone when they call.
Understanding Your Aetna Medical Plan

Your specialty prescription benefit plan will look a little different this year.

Here’s what’s new — PrudentRx has collaborated with CVS Caremark® to offer a third-party (manufacturer) copay assistance program* that may help save you money when you fill your prescription through CVS Specialty®.

How it works — We will work with you to obtain third-party copay assistance for your medication, if available.** Once you’re enrolled, you’ll pay nothing out-of-pocket †— that’s right, $0! — for medications on your plan’s specialty drug list dispensed by CVS Specialty.

How to get started — You will be contacted once CVS receives a specialty prescription under the plan and they can enroll you for the program. You may opt-out if you do not wish to participate.

Specialty Prescriptions — Some exclusions do apply to the medications covered under the PrudentRx program. Any specialty drugs not on the PrudentRx drug list will be charged based on their normal Drug Classification: Generic, Preferred Brand or Non-Preferred Brand.

*Not all specialty prescriptions offer assistance. Eligibility for third-party copay assistance program is dependent on the applicable terms and conditions required by that particular program and are subject to change.

**Some manufacturers require you to sign up to take advantage of the copay assistance that they provide for their medications – in that case, you must call PrudentRx to participate in the copay assistance for that medication. PrudentRx will also contact you if you are required to enroll in the copay assistance for any medication that you take. If you do not return their call, choose to opt-out of the program, or if you do not affirmatively enroll in any copay assistance as required by a manufacturer, you will be responsible for 30 percent of the cost of your specialty medications.

## Understanding How Much You Have to Pay

### Health Reimbursement Account (HRA) (CDHP only)

Use your HRA to pay your deductible, coinsurance, and Rx copays, reducing your out-of-pocket costs. The amount deposited in your HRA is prorated based on your benefits effective date. Note the IRS requires that 100% of disbursements made from your HRA be substantiated or verified.

### Medical Plan Deductible (Choice POS II, CDHP + HRA, Basic Essential)

The amount you pay for medical expenses before the plan begins paying benefits.

### Coinsurance (Choice POS II, CDHP + HRA, Basic Essential)

The percentage of eligible medical expenses you pay after paying the deductible for most services.

### Copays

The fixed amount you pay for medical care and prescriptions.

### Aetna Prescription Drug Program

You pay copays for generic and preferred brand drugs. For non-preferred brand and specialty drugs, you pay the Rx deductible before you pay copays. The deductible does not apply to the non-preferred brand drugs. More information can be found on page 9.

Please Note:
The dollar amounts are copays, deductibles, and maximums, which you pay; the percentages are coinsurance amounts, which you pay after you meet applicable deductibles. The amount the plan pays may be based on usual, reasonable, and customary (URC) fees for out-of-network services only. This chart provides a brief outline of the medical coverage options available to you through Aetna. Complete details are in the official plan documents. In any conflict between the plan documents and this basic comparison chart, the plan documents will control.

1 Usual, customary, reasonable (UCR) fees. Out-of-network charges that exceed UCR fees may be billed to the member.
2 Waived if transferred from hospital.
3 See page 9 for Aetna Prescription Drug Program and step-therapy information.
* May be eligible for $0 copay under PrudentRx program, see page 11 for details. Some exclusions apply. Any specialty prescriptions not eligible under PrudentRx will fall to applicable tier for that drug.

*Not all specialty prescriptions offer assistance. Eligibility for third-party copay assistance program is dependent on the applicable terms and conditions required by that particular program and are subject to change.
Health Care Reform and Your Medical Plan Choice

If you cannot afford to enroll your dependents in a PCS medical plan, consider the following:

**Children:** Florida KidCare is the state-sponsored health care program for children from birth through age 18 who meet specific eligibility requirements. For more information, call 888-540-5437 or visit floridakidcare.org.

**Spouse and/or child(ren):** You can consider your spouse's employer-sponsored plans. If your spouse is not employed or his or her employer doesn’t offer health insurance, the federal Health Insurance Marketplace may offer cost-effective alternatives. You can also enroll your child(ren) in a federal Marketplace plan. For more information about health care reform, go to pcsb.org/affordable-care-act.

Enrollment in a Federal Health Insurance Marketplace Plan

You can enroll in a medical plan through the Federal Health Insurance Marketplace. If you enroll in a medical plan through the Market Place after the PCS annual enrollment window, you must contact us within 31 days of your enrollment to discontinue your PCS group coverage. Your request to discontinue your coverage will be effective the first of the month following receipt of your enrollment and change form by PCS.

If, within 12-months after enrolling in a plan through the marketplace, you are not happy with your decision and would like to re-enroll in a PCS medical plan, please contact us at 727-588-6140 during the next annual enrollment and we can reinstate your coverage in an equivalent plan. You will be responsible for the applicable rates.

Medicare Eligibility

Generally, you are eligible for Medicare, if you:

- Or your spouse worked for at least 10 years in Medicare-covered employment, AND
- Are 65 years old or older, AND
- Are a citizen or permanent resident of the United States, OR
- Are a younger person with a disability or with end-stage renal disease (permanent kidney failure requiring dialysis or transplant)

Medicare Coordination through Aetna

If you are eligible for Medicare due to kidney dialysis and/or transplant, Medicare becomes your primary coverage when the 30-month coordination period has ended. If you are a retiree and on Medicare, Medicare is always primary.

Resources for Medicare-Eligible Retirees

You must contact the appropriate provider directly to enroll in a plan, make changes, access provider directories, and get information.

Humana Dental Frequently Asked Questions

How do I make an appointment? Call the participating provider you chose on or after the date you enroll in coverage.

How do I pay for services? If your visit is for covered preventive care, like a routine exam, cleaning, or X-Ray, there is no charge for the procedure. For other covered procedures, a copayment may be required. See your Schedule of Benefits for amounts. You pay copayments directly to the dentist.

How many times a year can I visit a dentist? You are encouraged to visit your dentist regularly. The total number of periodontal maintenance and all other prophylaxis treatments combined are limited to two (2) per member every twelve (12) months.

Must I choose a primary provider? No. You are not required to preselect a dentist. This means that any dentist within the network can treat you. Benefits are only available to members who receive care from in-network providers.

What if I need a specialty dentist? Should you need a specialist (i.e., endodontist, oral surgeon, periodontist, pediatric dentist) and you visit a Humana Advantage Plus 2S network specialist, you will receive benefits as shown on your Schedule of Benefits. Procedures not listed on the Schedule of Benefits that are performed by a participating specialist are charged at the participating specialist’s usual and customary fee less 20%. Check with the Member Services Department to verify that a particular specialty is available.

Does coverage include corrective braces? Yes. Orthodontic (braces) benefits are included in Humana Advantage Plus 2S dental plan. Benefits include free initial consultation and partial coverage of orthodontist fees.

Is there any maximum coverage limitation? There are no limitations on benefits.

How can I get more information? You can contact Member Services at 800-979-4760, Monday through Friday, 8:00 a.m. – 6:00 p.m. Member Services can provide you with plan information or help you obtain emergency services. You can also access information online at MyHumana.com.
MetLife Dental (Group #G95682)

You and your eligible enrolled dependents may continue participation in MetLife Dental Plan. Enrollment and monthly billing for MetLife is processed through MedCom, a third-party administrator.

MetLife Preferred Dentist Program (PDP) operates like a preferred provider organization (PPO). You can choose to visit any dentist, although you can reduce your out-of-pocket expenses by visiting a dentist in the MetLife network.

Although you receive the same percentages for in and out-of-network services, the amount you pay could vary greatly. An in-network provider charges the negotiated PDP fee, which is lower than the dentist's actual charges. In contrast, an out-of-network provider can charge you the negotiated fee plus the difference between the amount allowed by the plan (negotiated PDP fee) and his or her service charge. It is always to your financial advantage to use in-network providers.

MetLife Dependent Eligibility

You and your spouse and/or your eligible children through the end of the calendar year in which they reach age 26 may be enrolled in your dental plan.

MetLife Plan Highlights

- You may visit the dentist of your choice, no primary dentist selection requirement.
- There are no specialist referrals.
- Reduced out-of-pocket expenses on covered services and on services not covered by your benefit plan when you use a participating PDP dentist. (For example, if you or your covered dependent over age 19 visit a participating PDP orthodontist, the orthodontist will extend a negotiated fee for a full course of orthodontic treatment. Contact MetLife for the current rate.)

*Negotiated PDP fee refers to the fees that participating PDP dentists have agreed to accept as payment in full, subject to any deductibles, cost-sharing, and benefits maximums.

The service categories shown above represent an overview of your Plan of Benefits but are not a complete description of the plan. An insurance certificate describing all benefits and limitations will be made available following your plan's effective date, and will govern if any discrepancies exist between this over-view and the certificate of insurance and group insurance policy.

Understanding Your Dental Plan Options

**MetLife Dental Frequently Asked Questions**

**What is a participating PDP dentist?** A participating PDP dentist is a general dentist or specialist who has agreed to accept negotiated fees as payment in full for services provided to plan participants. PDP fees typically range from 10% to 35% below the average fees charged by dentists in your area for the same or substantially similar services.

**How do I find a participating PDP dentist?** There are over 100,000 participating PDP dentist locations nationwide, including over 22,000 specialist locations. You can get a list of these participating PDP dentists online at [www.metlife.com/dental](http://www.metlife.com/dental) or call 800-GET-MET8 to have a list faxed or mailed to you.

**What services are covered by the PDP?** The services covered by the MetLife PDP are those defined under your group dental benefits plan. Please review the plan benefits to learn more.

**Does the PDP offer any discounts on non-covered services?** Yes. The PDP in-network discounts do extend even to non-covered services, such as cosmetic dentistry or orthodontia, providing plan participants with savings on these non-covered services as well.

**May I choose a nonparticipating dentist?** Yes. You are always free to select the dentist of your choice. However, if you choose a dentist who does not participate in the MetLife PDP, your out-of-pocket expenses may be more, since you will be responsible for paying for any difference between the dentist’s fee and your plan’s payment. If you receive services from a participating PDP dentist, you are only responsible for the difference between the PDP in-network fee and your plan’s payment.

**Please note:** Plan designs may vary, so you should always refer to PCS’s specific plan to help determine actual out-of-network benefits. As always, plan deductibles must be met.

**Can my dentist apply for PDP participation?** Yes. If your current dentist does not participate in the PDP and you’d like to encourage him or her to apply for membership, tell your dentist to visit [www.metdental.com](http://www.metdental.com), or call 877-MET-DDS9 (638-3379) for an application. Website and phone number are designed for use by dental professionals only.

**How are claims processed?** The dentist may submit your claims for you, which helps to reduce your paperwork. You can track your claims online and even receive email alerts when a claim has been processed. If you need a claim form, you can find one online at [www.metlife.com/dental](http://www.metlife.com/dental) or request one by calling 800-GET-MET8.

---

**Type C (Major) cont.**

- Root canal treatment is limited to once per tooth in a 24-month period
- Surgical Extractions including impactions/Oral Surgery
- Relines and rebases to dentures are limited to one per 24 months (no earlier than six months after initial installation)
- Consultations are limited to once in any six consecutive month period

**Type D (Orthodontia) Child Only**

- All dental procedures performed in connection with orthodontic treatment are payable as orthodontia
- Initial payment due upon installation of the orthodontic appliance; repetitive payments for the orthodontic adjustments will be made quarterly at the end of the quarter based on the Orthodontic Lifetime Maximum Benefits end at cancellation
If you are enrolled in the vision plan, you may continue your and your dependent's coverage when you retire. If you cancel your and/or your dependent's vision coverage or discontinue your payment, you will not be able to re-enroll. Your monthly rates will be deducted from your monthly FRS pension check.

Who Is Eligible?

All retirees who meet the eligibility criteria listed on page 5 are eligible for vision coverage. Eligible dependents include your spouse and/or your eligible children through the end of the year in which they reach age 26.

How Does the Plan Work?

Members can select any optometrist or ophthalmologist in the EyeMed Vision Care Advantage network. At the time of your appointment, you will pay the applicable copay(s) for your exam and your eyeglasses or contacts, plus the copay(s) for any extra covered option(s) you select. There are no forms to complete or claims to file when you use EyeMed in-network providers.

You can go to an out-of-network provider, but you will pay a higher amount. You will pay the out-of-network provider in full at the time of your visit and then submit your receipts to EyeMed for reimbursement. Your final cost will be based on the out-of-network reimbursement schedule.

About EyeMed Providers

EyeMed providers are independent eye care professionals who have contracted with EyeMed to provide services at negotiated rates. The EyeMed plan emphasizes high-quality routine eye care from a network of independent eye care professionals.

Retail store providers include LensCrafters®, Target Optical®, and most Pearle Vision locations. Please check the provider directory available on the EyeMed Vision Care website before making your first appointment.

Benefits are the same at all participating providers, no matter where they’re located or the amount they would otherwise charge.

How to Find a Provider

To find an EyeMed provider with convenient hours and locations, you can call 888-203-7437 or use the provider locator tool at www.eyemed.com to find a provider in your area.

- Select “Find a Provider” in the top right bar on the home page.
- Enter your zip code and select “Advantage” under “Choose Network.”
Understanding Your HIP

Hospital stays can be costly and are often unexpected. Even the best medical plans may leave you with extra expenses to pay out of your pocket like deductibles, coinsurance, and copays. The MetLife Hospital Indemnity Plan (HIP) pays a cash benefit when you or a covered dependent is hospitalized due to an accident or illness.

Pre-existing conditions limitations apply during the first 12 months for each person covered under the plan.
If you are concerned about a pre-existing condition, please call MetLife at 800-438-6388.
Benefits reduced 25% for ages 65 to 69. Benefits reduced 50% for age 70+.

Please see plan certificate for inpatient hospital exclusions at pcsb.org/risk-benefits, “MetLife Voluntary Plans” link.

Income Tax Considerations for HIP

When you enroll in the MetLife Hospital Indemnity Plan, you will pay MetLife Voluntary Plans directly. Any payments you receive will be made on a post-tax basis, you will not have to pay federal income tax on any HIP benefit payments you may receive.

Continuation of Coverage

When your active employment ends, MetLife will send a Certificate of Coverage (COC) Letter to the address on file with the District. If you complete and submit the COC, the policy will become an individual policy with direct billing. The premiums will remain the same as the active plan. However you will be billed at a quarterly rate.
Contact MetLife at 800-438-6388 for more information.
Life Insurance

• Life insurance includes Basic, Optional, and Family (spouse/children) Term Life insurance.
• The coverage you have in effect at the time of your retirement can be continued or decreased but may not be increased.
• You can convert your coverage to an individual policy directly through The Standard.
• Retiree life insurance benefits are subject to a reduction formula.

Who’s Eligible?
As a PCS retiree, you are eligible to continue your Basic Term Life insurance in effect at the time of your retirement. Your legal spouse and/or children are eligible for Family Term Life insurance, provided they are enrolled in this coverage at the time of your retirement.

Eligible dependents include:
• Your legal spouse as defined by the laws of the state of Florida.
• Your children beginning at live birth to the end of the year in which they reach age 26.

If your spouse is also a Pinellas County Schools retiree and has elected his or her own retiree life insurance, you may not elect Family Term Life insurance.

Basic Life Term Insurance
You may continue the amount of your Board Term Life insurance in effect at the time of your retirement. This life insurance policy is a Term Life insurance policy and has no cash value.

Optional Term Life Insurance Conversion
You can convert the amount of your Optional Term Life in effect at the time of your retirement to a Whole Life individual policy with The Standard within 31 days of retirement. You may elect less coverage, but under no circumstances may you elect more coverage than what is in effect at the time of your retirement.

Family Term Life Insurance—(Spouse/Children)
This policy covers your legal spouse and eligible children for $5,000 per person. You may continue this coverage if it is in effect at the time of your retirement. Florida’s Department of Insurance guidelines state that you, the retiree, must have a minimum of $10,000 of Basic Term Life insurance to continue this coverage.

Reduction of Coverage
Your life insurance death benefit reduces beginning at age 70. Here is an example of how a $100,000 life insurance election is affected. Please note that your premium will be reduced based on the amount of insurance in force. We recommend that if you are over age 70, you review the reduced benefit payable to determine if your reduced life insurance benefit is appropriate.

Caution! You will not be eligible to re-enroll in the life insurance program if you cancel your life insurance or your coverage is terminated for failure to make timely premium payments.
Coverage Amount and
Premium Payment Retiree
Back Term Life
Your coverage amount cannot exceed your Basic Term Life insurance amount in force immediately prior to your retirement.
If you do not elect this coverage when you retire, you will not be eligible to re-enroll at a later date.

Dependents: Family Term Life (Spouse/Child)
This includes $5,000 for each dependent (includes your spouse and/or all eligible children).
One premium covers all your eligible dependents.
If you do not elect this coverage when you retire, you will not be eligible to re-enroll at a later date.
If you have Family Term Life insurance in effect at the time of your retirement and you wish to continue this coverage, you must elect a minimum of $10,000 of Basic Term Life coverage.

Premium Payment
Life insurance premiums will automatically be deducted from your retirement check—just like your medical and vision premiums—after you complete and return the Florida Retirement System Insurance Payroll Authorization Form. The form can be found in your retiree enrollment packet. Be sure to sign this form and return it along with two months of premium payment to the Risk Management and Insurance Department within 30 days prior to your coverage effective date.
This excludes FRS Investment Plan participants with 30 years of service with Pinellas County Schools or who are age 591/2.

PLEASE NOTE: Special provisions apply to life insurance participants who retired prior to March 1, 1992. Life insurance coverage is issued by Standard Insurance Company.

Accelerated Benefit Option
If you provide satisfactory proof that you are terminally ill with a life expectancy of 12 months or less, you may elect to receive up to 75% of your Basic Term life insurance benefit while still living. This benefit is only available once and is payable in a lump sum or six equal monthly installments. The death benefit payable to your beneficiary will be reduced by the amount you elect under this option.

Questions?
A Life Insurance Certificate of Coverage from The Standard Insurance Company which includes the entire plan provisions, exclusions, and limitations, is available at pcsb.org/certificates or by contacting the Risk Management and Insurance Retirement Team directly.

Retirement Guidelines for Life Insurance
When you officially retire* you may enroll in the same amount (one times your salary) of Basic Term Life insurance benefit that was in effect at the time of your retirement. If you fail to enroll in life insurance at the time you retire and your PCS group life insurance coverage lapses, you will not be permitted to re-enroll in a PCS-sponsored retiree life insurance plan at a later date. It is your responsibility to contact the PCS retirement team when and if you return to work or leave employment with Pinellas County Schools.

*Official retirement includes early retirement, retirement from DROP, normal retirement from the Pension Plan, or retirement from the Investment Plan. If you return to work in a benefit-eligible position, you may not continue life insurance coverage as a retiree.

In the event you return to work in a position that offers a lesser amount of Board-paid life insurance, you will only be eligible for the most recent and lower amount of the Basic Term life insurance when you return to a retiree status.
Women’s Health and Cancer Rights Act
(Employees and Retirees)
If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (“WHCRA”). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymph edema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan.

If you would like more information on WHCRA benefits, please call the Risk Management Department.

Newborns’ and Mothers’ Health Protection Act
(Employees and Retirees)
Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).
Your Rights and Responsibilities

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP) (Employees and Retirees)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askelsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your State for more information on eligibility –

HIPAA
HIPAA Notice Of Privacy Practices Reminder
(Employees and Retirees)

Protecting Your Health Information Privacy Rights
Pinellas County Schools is committed to the privacy of your health information. The administrators of the PCS Health Plan (the “Plan”) use strict privacy standards to protect your health information from unauthorized use or disclosure.

The Plan’s policies protecting your privacy rights and your rights under the law are described in the Plan’s Notice of Privacy Practices. You may receive a copy of the Notice of Privacy Practices by contacting the Personnel Department. The notice also is available online at pcsb.org/page/464.

HIPAA Special Enrollment Rights
(Employees and Retirees)

Pinellas County Schools Notice of Your HIPAA Special Enrollment Rights

Our records show that you are eligible to participate in the Plan (to actually participate, you must complete an enrollment form and pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan - your right to enroll in the plan under its “special enrollment provision” if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Loss of Other Coverage (Excluding Medicaid or a State Children's Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 60 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).
Loss of Coverage for Medicaid or a State Children's Health Insurance Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents’ coverage ends under Medicaid or a state children's health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for Premium Assistance Under Medicaid or a State Children's Health Insurance Program – If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents’ determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan’s special enrollment provisions, contact April Paul at 727-588-6136.

Notice of Creditable Coverage
(Employees and Retirees)

Important Notice from Pinellas County Schools About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Pinellas County Schools and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Pinellas County Schools has determined that the prescription drug coverage offered by the medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?
You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?
If you decide to join a Medicare drug plan, your current Pinellas County Schools coverage will be affected.
For More Information About Your Options Under Medicare Prescription Drug Coverage
More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare.

You may also be contacted directly by Medicare drug plans.
For more information about Medicare prescription drug coverage:

• Visit www.medicare.gov.
• Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help.
• Call 800-MEDICARE (800-633-4227). TTY users should call 877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, 800-772-1213 (TTY 800-325-0778).

If you do decide to join a Medicare drug plan and drop your current Pinellas County School coverage, be aware that you and your dependents will not be able to get this coverage back.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?
You should also know that if you drop or lose your current coverage with Pinellas County Schools and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage.

In addition, you may have to wait until the following October to join.

Wellness Program Disclosures
(Employees Only)

Your health plan is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact the Personnel Department and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

NOTICE REGARDING WELLNESS PROGRAM

The Pinellas County Schools’ wellness program, Be SMART is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or “HRA” that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be offered the opportunity to complete a biometric screening, which will include a finger stick blood test for cholesterol, triglycerides, and glucose. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

Incentives may be available from the wellness program for employees who participate in certain health-related activities or achieve certain health outcomes. If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation through the wellness program. A member may submit a Disability

Accommodation form, also available upon request from the wellness program, to request alternative engagement options to accommodate the disability.

IRS rules state that certain incentives, such as gift cards, given to employees through an employee wellness program are taxable. All cash and cash-equivalent (example: gift cards) incentives, regardless of value, will be reported to payroll and included in the employee’s income and are subject to payroll taxes.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as the Diabetic Care Program, YMCA Diabetic Prevention program, or the Tobacco Care Program. You also are encouraged to share your results or concerns with your own doctor.

Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Pinellas County Schools may use aggregate information it collects to design a program based on identified health risks in the workplace, no one will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is (are) Aetna’s...
patient advocate in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact April Paul at 727-588-6136.

**How to Obtain Continued Coverage**

You or your family are responsible for notifying the Risk Management and Insurance Department of a divorce or a child losing dependent status (or other change in status event) within 60 days of the qualifying event. The Personnel Department is responsible for notifying the Risk Management and Insurance Department in the case of death, termination of employment, or reduction in work hours.

When Risk Management and Insurance is notified that a qualifying event has occurred, Risk Management and Insurance will notify you of your right to continue group insurance coverage. You have 60 days from the notice to submit an enrollment form for continued coverage. Payment and coverage will be retroactive. If you wait longer than 60 days, your eligibility to continue medical, vision and/or dental coverage, or participate in your Healthcare FSA, your coverage or participation will end.

**Premium Payment**

To extend coverage for yourself or your family, you are required to pay the entire cost of coverage plus administrative costs. The law states that this premium can be 102% of Pinellas County Schools’ cost of providing benefits. This amount will be calculated yearly, and may vary from year to year.

Your initial premium payment must be paid no later than 45 days after you enroll. Your initial payment amount is retroactive, may cover more than one month, and will be larger than your remaining monthly payments. If your initial payment is late, you will not be able to continue coverage.

All subsequent payments must be made the first of each month. If these payments are not received on time, coverage will end. For this reason, you should be careful that all premium payments are made on time. If the premium payment is not paid by the end of the grace period, your continued coverage will end on the last day of the month for which a timely payment was received and you may not re-enroll.

**When Continued Coverage Ceases**

The COBRA law states that your continued coverage as a qualified beneficiary may be cancelled for any of the following reasons:

- Pinellas County Schools no longer provides coverage to any of its employees
- The premium for your continued coverage is not paid on time
- You or your dependents become eligible for coverage under another group plan (if you have a pre-existing condition not covered under your new plan, you may continue your old plan to cover that pre-existing condition)
  - You or your dependents enroll in:
    — Medicare—Part A, Part B, or both
    — Medicare + Choice HMO
- You were divorced or widowed from a covered employee and later remarry and are eligible under your new spouse’s group plan.

**If You Have Questions**

If you have any questions about this law, please contact Risk Management and Insurance at 727-588-6197, Monday through Friday, 8:00 a.m. to 4:30 p.m. ET.
Patient Protection and Affordable Care Act (PPACA, or Health Care Reform)

(Employees and Retirees)

Starting in 2019, most Americans are no longer required to purchase health insurance coverage or pay a penalty.

However, whether you are eligible for a premium subsidy depends on the plans offered by your employer. The medical plans offered by PSC meet the affordability and coverage requirements.

- If you are offered health coverage through PCS, you will not be eligible for a premium subsidy through the Federal Marketplace.
- If you receive a premium subsidy, and you are insurance benefits eligible you may be responsible to pay the premium subsidy back to the IRS.
- If you cannot afford to enroll your spouse and/or child(ren) in a PCS medical plan, there may be cost-effective options through the federal Marketplace and/or Florida KidCare. If you choose to opt out of PCS coverage and buy insurance in the Marketplace
  - You will not receive a contribution from PCS towards the cost of your Marketplace coverage
  - You will not be eligible for a government premium subsidy to help pay for your Marketplace coverage
  - You may be responsible to pay the premium subsidy back to the IRS if you receive one and are eligible for insurance benefits.

Disclaimer

The amount the plan pays for covered services provided by non-network providers is based on a maximum allowable amount for the specific service rendered. Although your plan stipulates an out-of-pocket maximum for out-of-network services, please note the maximum allowed amount for an eligible procedure may not be equal to the amount charged by your out-of-network provider. Your out-of-network provider may bill you for the difference between the amount charged and the maximum allowed amount. This is called balance billing and the amount billed to you can be substantial. The out-of-pocket maximum outlined in your policy will not include amounts in excess of the allowable charge and other non-covered expenses as defined by your plan. The maximum reimbursable amount for non-network providers can be based on a number of schedules such as a percentage of reasonable and customary or a percentage of Medicare. The plan document or carrier’s master policy is the controlling document, and this Benefit Highlight does not include all of the terms, coverage, exclusions, limitations, and conditions of the actual plan language.
