AETNA MEDICAL PLANS

How Much You Have to Pay

Health Reimbursement Account (HRA) (CDHP only)

Use your HRA to pay your deductible, coinsurance, and Rx copays, reducing your out-of-pocket costs. Note the IRS requires that 100% of disbursements made from your HRA be substantiated or verified.

How the CDHP + HRA Works

- When you enroll in the Consumer Driven Health Plan with Health Reimbursement Account (CDHP + HRA), PCS will fund an Aetna Inspira Financial Card with up to \$500 (employee), \$750 (employee + spouse), \$750 (employee + children), or \$1,000 (family) each year.
- You choose when to use the HRA. Aetna will not automatically apply your HRA funds when they process your claims.
- When you use your HRA Inspira Financial Card, you can pay the first \$500 (individual) or \$1,000 (family) of your eligible medical and/or prescription drug expenses. (You may also submit claim forms and receipts for reimbursement.)
- Any funds over and above the Rollover Maximum that remain in your HRA will not roll over to the next year.

Medical Plan Deductible (Choice Share Plan, CDHP + HRA, and Basic Essential)

This is the amount you pay for medical expenses before the plan begins paying benefits.

Coinsurance (Choice Share Plan, CDHP + HRA, and Basic Essential)

This is the percentage of eligible medical expenses you pay after paying the deductible for most services.

Copays

The fixed amount you pay for medical care and prescriptions. With the Aetna Prescription Drug Program, you pay copays for generic and preferred brand drugs. For non-preferred brand and specialty drugs, you pay the Rx deductible before you pay copays.

Out-of-Pocket (OOP) Maximums

This is the most you will pay for deductibles (if applicable), copays, and/or coinsurance in a plan year. There are 2 OOPs, 1 for medical expenses and 1 for Rx. When you reach an OOP maximum, the plan will pay 100% of those eligible expenses for the remainder of the plan year.

Routine Eye Exam Not Covered

Routine eye exams are not covered under the Aetna medical plans. If you are enrolled in the EyeMed Vision Care Plan, routine eye exams are covered.

HRA Rollover Maximum

The amount of HRA funds you can carryover from one year to another will be subject to the new maximum.

- \$1,000 Employee Only Rollover Maximum
- \$1,500 Employee plus Child(ren) Rollover Maximum
- \$1,500 Employee plus Spouse Rollover Maximum
- \$2,000 Family Rollover Maximum

Any funds in your account in excess of the maximum will be forfeited as of December 31, 2025.

AETNA MEDICAL PLANS

Coordination of Medical Benefits

If you, your spouse, or your child(ren) have coverage under another health care plan (medical, dental, etc.) in addition to coverage under your PCS plan, coordination of benefits (COB) between the health plans generally will apply. Usually, the "birthday rule" of order of benefit determination will apply. This means that the health plan of the spouse or parent whose birthday occurs earlier in the year will pay regular benefits and the other health plan will coordinate their benefits with the primary plan.

If you or 1 of your covered dependents has Medicare, generally Medicare will be your primary health plan. Your PCS health plan will coordinate benefits with Medicare if your provider is an Aetna contracted in-network provider. For example, if you are a retiree, have Medicare and are enrolled in the Aetna Select Open Access or the CDHP + HRA plan, Aetna will coordinate with Medicare only if your provider is an Aetna contracted in-network provider.

If you have questions about your specific situation or claims, please call Aetna Concierge Customer Service at **866-253-0599**.

Aetna Medical Coverage

- You and your eligible dependents must be enrolled in a PCS medical plan at the time of your retirement to continue medical coverage.
- You must remain in that plan or elect to terminate your coverage. If you remain in the plan, you can change your election at the next Annual Enrollment. Your change will be effective on January 1 of the following year.
- You may continue to cover your enrolled dependents or cancel their coverage. In some instances, newborns may be added, subject to state legislation and carrier requirements. Please contact the Risk Management and Insurance Department Retirement Team for information.

Aetna Prescription Drug Program

All medical plans include prescription drug coverage from Aetna. The program uses Aetna's Standard Formulary.

Each drug is grouped as a generic, preferred brand, non-preferred brand, or specialty drug. Call Aetna's Concierge Customer Service at **866-253-0599** if you have questions.

Maintenance drugs are filled under the Maintenance Choice Program, which requires that your physician write a 90-day prescription for all maintenance medications. You must fill the 90-day supply through CVS Caremark mail order, local CVS or Costco Pharmacy retail locations. You will only pay 2 copays for a 90-day supply.

FAQs about Virtual Primary Care

FAQs about Virtual Mental Health Care

Your specialty prescription benefit plan will look a little different this year.

Here's what's new — PrudentRx has collaborated with CVS Caremark® to offer a third-party (manufacturer) copay assistance program* that may help save you money when you fill your prescription through CVS Specialty®.

How it works — We will work with you to obtain third-party copay assistance for your medication, if available.** Once you're enrolled, you'll pay nothing out-of-pocket – that's right, **\$0!** – for medications on your plan's specialty drug list dispensed by CVS Specialty.

How to get started — You will be contacted once CVS receives a specialty prescription under the plan and they can enroll you for the program. You may opt-out if you do not wish to participate.

Specialty Prescriptions — Some exclusions do apply to the medications covered under the PrudentRx program. Any specialty drugs not on the PrudentRx drug list will be charged based on their normal Drug Classification: Generic, Preferred Brand or Non-Preferred Brand.

*Not all specialty prescriptions offer assistance. Eligibility for third-party copay assistance program is dependent on the applicable terms and conditions required by that particular program and are subject to change.

Some manufacturers require you to sign up to take advantage of the copay assistance that they provide for their medications – in that case, you must call PrudentRx to participate in the copay assistance for that medication. **PrudentRx will also contact you if you are required to enroll in the copay assistance for any medication that you take. If you do not return their call, choose to opt-out of the program, or if you do not affirmatively enroll in any copay assistance as required by a manufacturer, you will be responsible for 30 percent of the cost of your specialty medications.

AETNA MEDICAL PLANS

Health Care Reform and Your Medical Plan Choice

If you cannot afford to enroll your dependents in a PCS medical plan, consider the following:

Children: Florida KidCare is the state-sponsored health care program for children from birth through age 18 who meet specific eligibility requirements. For more information, call **888-540-5437** or visit **floridakidcare.org**.

Spouse and/or child(ren): You can consider your spouse's employer-sponsored plans. If your spouse is not employed or his or her employer doesn't offer health insurance, the federal Health Insurance Marketplace may offer cost-effective alternatives. You can also enroll your child(ren) in a federal Marketplace plan. For more information about health care reform, go to: **pcsb.org/affordable-care-act**.

Enrollment in a Federal Health Insurance Marketplace Plan

You can enroll in a medical plan through the Federal Health Insurance Marketplace. If you enroll in a medical plan through the Market Place after the PCS annual enrollment window, you must contact us within 31 days of your enrollment to discontinue your PCS group coverage. Your request to discontinue your coverage will be effective the first of the month following receipt of your enrollment and change form by PCS.

Humana Dental Frequently Asked Questions

How do I make an appointment? Call the participating provider you chose on or after the date you enroll in coverage.

How do I pay for services? If your visit is for covered preventive care, like a routine exam, cleaning, or X-Ray, there is no charge for the procedure. For other covered procedures, a copayment may be required. See your Schedule of Benefits for amounts. You pay copayments directly to the dentist.

How many times a year can I visit a dentist? You are encouraged to visit your dentist regularly. The total number of periodontal maintenance and all other prophylaxis treatments combined are limited to two (2) per member every twelve (12) months.

Must I choose a primary provider? No. You are not required to preselect a dentist. This means that any dentist within the network can treat you. Benefits are only available to members who receive care from in-network providers.

What if I need a specialty dentist? Should you need a specialist (i.e., endodontist, oral surgeon, periodontist, pediatric dentist) and you visit a Humana Advantage Plus 2S network specialist, you will receive benefits as shown on your Schedule of Benefits. Procedures not listed on the Schedule of Benefits that are performed by a participating specialist are charged at the participating specialist's usual and customary fee less 20%. Check with the Member Services Department to verify that a particular specialty is available.

Does coverage include corrective braces? Yes. Orthodontic (braces) benefits are included in Humana Advantage Plus 2S dental plan. Benefits include free initial consultation and partial coverage of orthodontist fees.

Is there any maximum coverage limitation? There are no limitations on benefits.

How can I get more information? You can contact Member Services at 800-979-4760, Monday through Friday, 8:00 a.m. – 6:00 p.m. Member Services can provide you with plan information or help you obtain emergency services. You can also access information online at MyHumana.com.

DENTAL BENEFITS

MetLife Dental (Group #G95682)

You and your eligible enrolled dependents may continue participation in MetLife Dental Plan. Enrollment and monthly billing for MetLife is processed through MedCom, a third-party administrator.

MetLife Preferred Dentist Program (PDP) operates like a preferred provider organization (PPO). You can choose to visit any dentist, although you can reduce your out-of-pocket expenses by visiting a dentist in the MetLife network.

Although you receive the same percentages for in and out-of-network services, the amount you pay could vary greatly. An in-network provider charges the negotiated PDP fee, which is lower than the dentist's actual charges. In contrast, an out-of-network provider can charge you the negotiated fee plus the difference between the amount allowed by the plan (negotiated PDP fee) and his or her service charge. It is always to your financial advantage to use in-network providers.

MetLife Dependent Eligibility

You and your spouse and/or your eligible children through the end of the calendar year in which they reach age 26 may be enrolled in your dental plan.

MetLife Plan Highlights

- You may visit the dentist of your choice, no primary dentist selection requirement.
- There are no specialist referrals.
- Reduced out-of-pocket expenses on covered services and on services not covered by your benefit plan when you use a participating PDP dentist. (For example, if you or your covered dependent over age 19 visit a participating PDP orthodontist, the orthodontist will extend a negotiated fee for a full course of orthodontic treatment. Contact MetLife for the current rate.

	In-Network or Out-of-Network		In-Network or Out-of-Network
Basis of Reimbursement	Negotiated PDP Fee*	Individual Deductible (Annual)	\$50
Type A – Preventative	100%	Family Deductible (Annual)	\$150
Type B – Basic	80%	Deductible Applies To	Basic and Major
Type C – Major	50%	Calendar Year Maximum	\$1,250 per person
Type D – Orthodontia	50%	Lifetime Orthodontia Maximum	\$1,000 per person

*Negotiated PDP fee refers to the fees that participating PDP dentists have agreed to accept as payment in full, subject to any deductibles, cost-sharing, and benefits maximums.

The service categories shown above represent an overview of your Plan of Benefits but are not a complete description of the plan. An insurance certificate describing all benefits and limitations will be made available following your plan's effective date, and will govern if any discrepancies exist between this over-view and the certificate of insurance and group insurance policy.

MetLife Dental Frequently Asked Questions

What is a participating PDP dentist? A participating PDP dentist is a general dentist or specialist who has agreed to accept negotiated fees as payment in full for services provided to plan participants. PDP fees typically range from 10% to 35% below the average fees charged by dentists in your area for the same or substantially similar services.

How do I find a participating PDP dentist? There are over 100,000 participating PDP dentist locations nationwide, including over 22,000 specialist locations. You can get a list of these participating PDP dentists online at www.metlife.com/dental or call **800-GET-MET8** to have a list faxed or mailed to you.

What services are covered by the PDP? The services covered by the MetLife PDP are those defined under your group dental benefits plan. Please review the plan benefits to learn more.

Does the PDP offer any discounts on non-covered services? Yes. The PDP in-network discounts do extend even to non-covered services, such as cosmetic dentistry or orthodontia, providing plan participants with savings on these non-covered services as well.

May I choose a nonparticipating dentist? Yes. You are always free to select the dentist of your choice. However, if you choose a dentist who does not participate in the MetLife PDP, your out-of-pocket expenses may be more, since you will be responsible for paying for any difference between the dentist's fee and your plan's payment. If you receive services from a participating PDP dentist, you are only responsible for the difference between the PDP in-network fee and your plan's payment.

Please note: Plan designs may vary, so you should always refer to PCS's specific plan to help determine actual out-of-network benefits. As always, plan deductibles must be met.

Can my dentist apply for PDP participation? Yes. If your current dentist does not participate in the PDP and you'd like to encourage him or her to apply for membership, tell your dentist to visit www.metdental.com, or call **877-MET-DDS9 (638-3379)** for an application. Website and phone number are designed for use by dental professionals only.

How are claims processed? The dentist may submit your claims for you, which helps to reduce your paperwork. You can track your claims online and even receive email alerts when a claim has been processed. If you need a claim form, you can find 1 online at www.metlife.com/dental or request 1 by calling **800-GET-MET8**.

METLIFE HOSPITAL INDEMNITY PLAN (HIP)

Hospital stays can be costly and are often unexpected. Even the best medical plans may leave you with extra expenses to pay out of your pocket like deductibles, coinsurance, and copays. The MetLife Hospital Indemnity Plan (HIP) pays a cash benefit when you or a covered dependent is hospitalized due to an accident or illness.

Benefits	Benefit Amount
Hospital Admission Benefits	\$500
Hospital Confinement Benefits	\$250 per day, up to 30 days
Inpatient Rehabilitation Benefit	\$100 per day, up to 15 days per covered person, per accident but not to exceed 30 days per calendar year

Pre-existing conditions limitations apply during the first 12 months for each person covered under the plan. If you are concerned about a pre-existing condition, please call MetLife at 800-438-6388. Benefits reduced 25% for ages 65 to 69. Benefits reduced 50% for age 70+.

Please see plan certificate for inpatient hospital exclusions at pcsb.org/risk-benefits, "MetLife Voluntary Plans" link.

Income Tax Considerations for HIP

When you enroll in the MetLife Hospital Indemnity Plan, you will pay MetLife Voluntary Plans directly. Any payments you receive will be made on a post-tax basis, you will not have to pay federal income tax on any HIP benefit payments you may receive.

Continuation of Coverage

When your active employment ends, MetLife will send a Certificate of Coverage (COC) Letter to the address on file with the District. If you complete and submit the COC, the policy will become an individual policy with direct billing. The premiums will remain the same as the active plan. However you will be billed at a quarterly rate.

Contact MetLife at **800-438-6388** for more information.

LIFE INSURANCE

- Life insurance includes Basic, Optional, and Family (spouse/children) Term Life insurance.
- The coverage you have in effect at the time of your retirement can be continued or decreased but may not be increased.
- You can convert your coverage to an individual policy directly through The Standard.
- Retiree life insurance benefits are subject to a reduction formula.

Who's Eligible?

As a PCS retiree, you are eligible to continue your Basic Term Life insurance in effect at the time of your retirement. Your legal spouse and/or children are eligible for Family Term Life insurance, provided they are enrolled in this coverage at the time of your retirement.

Eligible dependents include:

- Your legal spouse as defined by the laws of the state of Florida.
- Your children beginning at live birth to the end of the year in which they reach age 26.

If your spouse is also a Pinellas County Schools retiree and has elected his or her own retiree life insurance, you may not elect Family Term Life insurance.

Basic Life Term Insurance

You may continue the amount of your Board Term Life insurance in effect at the time of your retirement. This life insurance policy is a Term Life insurance policy and has no cash value.

Optional Term Life Insurance Conversion

You can convert the amount of your Optional Term Life in effect at the time of your retirement to a Whole Life individual policy with The Standard within 31 days of retirement. You may elect less coverage, but under no circumstances may you elect more coverage than what is in effect at the time of your retirement.

CAUTION! You will not be eligible to re-enroll in the life insurance program if you cancel your life insurance or your coverage is terminated for failure to make timely premium payments.

Family Term Life Insurance—(Spouse/Children)

This policy covers your legal spouse and eligible children for \$5,000 per person. You may continue this coverage if it is in effect at the time of your retirement. Florida's Department of Insurance guidelines state that you, the retiree, must have a minimum of \$10,000 of Basic Term Life insurance to continue this coverage.

Reduction of Coverage

Your life insurance death benefit reduces beginning at age 70. Here is an example of how a \$100,000 life insurance election is affected. Please note that your premium will be reduced based on the amount of insurance in force. We recommend that if you are over age 70, you review the reduced benefit payable to determine if your reduced life insurance benefit is appropriate.

Age	Percent of Policy Value	Death Benefit
69 or younger	100%	\$100,000
70-74	65%	\$65,000
75-79	45%	\$45,000
80 or older	30%	\$30,000

LIFE INSURANCE

Coverage Amount and Premium Payment Retiree Back Term Life

Your coverage amount cannot exceed your Basic Term Life insurance amount in force immediately prior to your retirement.

If you do not elect this coverage when you retire, you will not be eligible to re-enroll at a later date.

Dependents: Family Term Life (Spouse/Child)

This includes \$5,000 for each dependent (includes your spouse and/or all eligible children).

One premium covers all your eligible dependents.

If you do not elect this coverage when you retire, you will not be eligible to re-enroll at a later date.

If you have Family Term Life insurance in effect at the time of your retirement and you wish to continue this coverage, you must elect a minimum of \$10,000 of Basic Term Life coverage.

Premium Payment

Life insurance premiums will automatically be deducted from your retirement check—just like your medical and vision premiums—after you complete and return the Florida Retirement System Insurance Payroll Authorization Form. The form can be found in your retiree enrollment packet. Be sure to sign this form and return it along with 2 months of premium payment to the Risk Management and Insurance Department within 30 days prior to your coverage effective date.

This excludes FRS Investment Plan participants with 30 years of service with Pinellas County Schools or who are age 59^{1/2}.

PLEASE NOTE: Special provisions apply to life insurance participants who retired prior to March 1, 1992. Life insurance coverage is issued by Standard Insurance Company.

Accelerated Benefit Option

If you provide satisfactory proof that you are terminally ill with a life expectancy of 12 months or less, you may elect to receive up to 75% of your Basic Term life insurance benefit while still living. This benefit is only available once and is payable in a lump sum or 6 equal monthly installments. The death benefit payable to your beneficiary will be reduced by the amount you elect under this option.

Questions?

A Life Insurance Certificate of Coverage from The Standard Insurance Company which includes the entire plan provisions, exclusions, and limitations, is available at pcsb.org/certificates or by contacting the Risk Management and Insurance Retirement Team directly.

Retirement Guidelines for Life Insurance

When you officially retire* you may enroll in the same amount (one times your salary) of Basic Term Life insurance benefit that was in effect at the time of your retirement. If you fail to enroll in life insurance at the time you retire and your PCS group life insurance coverage lapses, you will not be permitted to re-enroll in a PCS-sponsored retiree life insurance plan at a later date. It is your responsibility to contact the PCS retirement team when and if you return to work or leave employment with Pinellas County Schools.

*Official retirement includes early retirement, retirement from DROP, normal retirement from the Pension Plan, or retirement from the Investment Plan. If you return to work in a benefit-eligible position, you may **not** continue life insurance coverage as a retiree.

In the event you return to work in a position that offers a lesser amount of Board-paid life insurance, you will only be eligible for the most recent and lower amount of the Basic Term life insurance when you return to a retiree status.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP) (EMPLOYEES AND RETIREES)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. HIPAA Notice Of Privacy Practices Reminder

Protecting Your Health Information Privacy Rights
Pinellas County Schools is committed to the privacy of your health information. The administrators of the PCS Health Plan (the “Plan”) use strict privacy standards to protect your health information from unauthorized use or disclosure. The Plan’s policies protecting your privacy rights and your rights under the law are described in the Plan’s Notice of Privacy Practices. You may receive a copy of the Notice of Privacy Practices by contacting the Personnel Department. The notice also is available online at pcsb.org/page/464.

HIPAA SPECIAL ENROLLMENT RIGHTS (EMPLOYEES AND RETIREES)

PINELLAS COUNTY SCHOOLS NOTICE OF YOUR HIPAA SPECIAL ENROLLMENT RIGHTS

Our records show that you are eligible to participate in the Plan (to actually participate, you must complete an enrollment form and pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan - your right to enroll in the plan under its “special enrollment provision” if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Loss of Other Coverage (Excluding Medicaid or a State Children’s Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 60 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children’s Health Insurance Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children’s health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents’ coverage ends under Medicaid or a state children’s health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for Premium Assistance Under Medicaid or a State Children’s Health Insurance Program – If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents’ determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan’s special enrollment provisions, contact April Paul at **727-588-6136**.

COBRA (EMPLOYEES AND RETIREES)

The Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA) requires employers who sponsor group health plans to offer employees and their families the opportunity to purchase medical, vision, or dental coverage at group rates. This section is to notify you of your rights and obligations to continue

coverage under this law. We urge both you and your spouse to read this notice carefully.

This federal law provides qualified beneficiaries the same health benefits as active employees, including the right to participate in Annual Enrollment and continue participation in the Healthcare FSA.

School Board employees whose medical, vision, or dental coverage ends due to reduction in work hours or termination of employment for reasons other than gross misconduct have the right to continue the above-mentioned coverage.

Spouses of covered employees who are on the employee's policy(ies) have the right to continue coverage for any of these reasons:

- Death of your spouse who was a covered School Board employee,
- Termination of your spouse's employment for reasons other than gross misconduct,
- Reduction in your spouse's work hours,
- Divorce or legal separation* from your spouse, and
- Your spouse becomes eligible for Medicare. Dependent children of covered employees who are on the employee's policies may continue coverage for any of these reasons:
 - Death of a parent who was a covered School Board employee,
 - Termination of parent's employment for reasons other than gross misconduct,
 - Reduction in parent's work hours,
 - Parent becomes eligible for Medicare, and
 - Loss of child's dependent status (e.g., age limitation).

Retirees Only: Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in

bankruptcy is filed with respect to Pinellas County Schools, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

How to Obtain Continued Coverage

You or your family are responsible for notifying the Risk Management and Insurance Department of a divorce or a child losing dependent status (or other change in status event) within 60 days of the qualifying event. The Personnel Department is responsible for notifying the Risk Management and Insurance Department in the case of death, termination of employment, or reduction in work hours.

When Risk Management and Insurance is notified that a qualifying event has occurred, Risk Management and Insurance will notify you of your right to continue group insurance coverage. You have 60 days from the notice to submit an enrollment form for continued coverage. Payment and coverage will be retroactive. If you wait longer than 60 days, your eligibility to continue medical, vision and/or dental coverage, or participate in your Healthcare FSA, your coverage or participation will end.

Premium Payment

To extend coverage for yourself or your family, you are required to pay the entire cost of coverage plus administrative costs. The law states that this premium can be 102% of Pinellas County Schools' cost of providing benefits. This amount will be calculated yearly, and may vary from year to year.

Your initial premium payment must be paid no later than 45 days after you enroll. Your initial payment amount is retroactive, may cover more than one month, and will be larger than your remaining monthly payments. If your initial payment is late, you will not be able to continue coverage.

All subsequent payments must be made the first of each month. If these payments are not received on time, coverage will end. For this reason, you should be careful that all premium payments are made on time. If the premium payment is not paid by the end of the grace period, your continued coverage will end on the last day of the month for which a timely payment was received and you may not re-enroll.

When Continued Coverage Ceases

The COBRA law states that your continued coverage as a qualified beneficiary may be cancelled for any of the following reasons:

- Pinellas County Schools no longer provides coverage to any of its employees
- The premium for your continued coverage is not paid on time
- You or your dependents become eligible for coverage under another group plan (if you have a pre-existing condition not covered under your new plan, you may continue your old plan to cover that pre-existing condition)
- You or your dependents enroll in:
 - Medicare—Part A, Part B, or both
 - Medicare + Choice HMO
- You were divorced or widowed from a covered employee and later remarry and are eligible under your new spouse's group plan.

PATIENT PROTECTION AND AFFORDABLE CARE ACT (PPACA, OR HEALTH CARE REFORM) (EMPLOYEES AND RETIREES)

Starting in 2019, most Americans are no longer required to purchase health insurance coverage or pay a penalty.

However, whether you are eligible for a premium subsidy depends on the plans offered by your employer. The medical plans offered by PSC meet the affordability and coverage requirements.

- If you are offered health coverage through PCS, you will not be eligible for a premium subsidy through the Federal Marketplace.
- If you receive a premium subsidy, and you are insurance benefits eligible you may be responsible to pay the premium subsidy back to the IRS.
- If you cannot afford to enroll your spouse and/or child(ren) in a PCS medical plan, there may be cost-effective options through the federal Marketplace and/or Florida KidCare. If you choose to opt out of PCS coverage and buy insurance in the Marketplace
 - You will not receive a contribution from PCS towards the cost of your Marketplace coverage
 - You will not be eligible for a government premium subsidy to help pay for your Marketplace coverage
 - You may be responsible to pay the premium subsidy back to the IRS if you receive one and are eligible for insurance benefits.

FAMILY AND MEDICAL LEAVE OF ABSENCE (EMPLOYEES ONLY)

The Family Medical and Leave Act (FMLA) of 1993 allows you to take a leave of absence, without pay, for up to 12 weeks during any continuous 12-month period, for the following reasons:

- Adoption of a child

- Placement of a foster child into your care
- Caring for your seriously ill child, spouse, or parent
- Your own serious health condition
- For any qualifying exigency arising out of the fact that a spouse, son, daughter, or parent is a military member on covered active duty or called to covered active duty status.

An eligible employee may also take up to 26 work weeks of leave during a "single 12-month period" to care for a covered service member with a serious injury or illness, when the employee is the spouse, son, daughter, parent, or next of kin of the service member.

If you take a family medical leave to care for an ill family member or for your own serious illness, you may take the leave intermittently, as necessary.

You are eligible for family medical leave if you have worked for Pinellas County Schools for one year and have worked at least 1,250 hours during the previous 52 weeks prior to requesting the leave.
