

Find a Fair Price™ on care, anytime, anywhere!

Download the Free **Healthcare Bluebook** app and put the power of savings in your pocket! With so many options out there for healthcare, it can be overwhelming trying to find a low-cost high-quality facility for your procedure. With a simple search, you'll see the high, low, and **Fair Price™** you can expect to pay for your procedures and ratings designed to help you understand each facility's level of quality for specific medical procedures.

When your doctor suggests a test or procedure, take a minute to do a quick search in the Bluebook app. You'll have everything you need at your fingertips to avoid being referred to an overpriced facility.
