Favorite memory at PCS: Being inducted into the Pinellas Park High School Hall of Fame in 2013. Also, throughout the years, I have been privileged to work alongside some of the most dedicated, talented, and genuinely remarkable individuals I have ever had the pleasure of knowing. One of the best parts about being here at Pinellas Park High School all these years is the countless relationships with students. Making relationships as a teacher, coach, and administrator has been very rewarding. I have seen 2nd and 3rd generations in some families come through Pinellas Park High. Thank you to all for all of the wonderful memories. Forever PATRIOT P-R-I-D-E!! What I'm looking forward to doing during retirement: Traveling, working in my garden, and spending more time with my family.
