

Navigating Medicare

What you need to know when considering your Medicare options

Understanding when to enroll in Medicare benefits can be challenging. Make plans to attend this educational seminar so that you can learn more about Medicare and your options.

At this seminar, you will get answers to questions like:

- What if I'm not retiring yet? What all group members should know before deciding to retire.
- Will Medicare cost more than my group coverage?
- Will my benefits change? Will I get to keep my doctor?
- What key dates should I know for enrollment, and who can I ask for help?
- When should I start planning for retirement healthcare?
